The Church In Motion

Brian Thorstad, Church Leadership Catalyst
Forest Lakes District – December 1, 2019
bthorstad@forestlakes-efca.org

God designed the church to always be in motion, going towards non-Christians in love. One of the following pictures may help you capture this concept in a memorable way.

A _____ of _____ storming the gates of hades

A loving _____, _____ special needs children

A team of _____, rescuing lost sheep

A _____ station rescuing the perishing

A team of missionaries, _____ with their community

They go, give themselves away, adapt themselves in many ways, they enter the worlds of those they serve, they get to know people well, they work hard...

Joyful, exciting, love-struck churches exist to make Christ-followers in their own communities.

- Latch on to one of these pictures
- Pray for and go to the non-believers around you
- Join your church and serve in its mission as it goes after its community – do the things missionaries do.
