

Beware

Beware! Of all that is wrong,
Don't listen to haram music or songs.

Beware! No matter what you do,
Your deeds are listed without ado.

Beware! Imam is extremely pak,
Being with him is like Noah's ark.

Beware! And do not go astray,
So you're not in those who betray.

Beware! And do know what is right,
Inshallah, you'll be by his side.
