# COUP

“A Government Coup refers to a sudden and illegal seizure of power from the current leadership,”

To Override a Presidential Executive Order is a Coup against the President of the U.S. and the American People.

## COUP

Refusing to hear President Trump against the Stolen Election, with a mountain of infallible proofs, is a Coup against the President and the American people who he represents. Trump won the election.

Forcing people to get a vaccine they know is Dangerous is a war crime. Murdering babies is Genocide against God's Children. Their hands are dripping with blood.

Deleting God's Laws is war against God.
