WADHAM SCHOOL

## Drama Club

Thursday Lunchtime  
Meet in the Music Room

### Design and Technology Technician Vacancy

15 hours per week (Required as soon as possible).

Term time plus INSET

Actual salary: £6,598 per annum

We seek a creative person who can relate positively to young people to support the learning process in the classroom. A background in an Art based subject would be desirable. The role involves support for Creative Arts subjects in the classroom.

For further details please refer to our website [www.wadhamschool.co.uk](http://www.wadhamschool.co.uk)

Please send completed application forms to [tsaunders@wadhamschool.co.uk](mailto:tsaunders@wadhamschool.co.uk)

Closing date: 10 November

**This free competition is an invitation to tear up the rule book and put a modern-day twist on a traditional fairy tale, fable or folk story.**

**Your story should celebrate a diverse and modern-day Britain.**

**The competition is open to all under 16 year olds - get more details and an entry pack from [pearsonschools.co.uk/mytwistonatale](http://pearsonschools.co.uk/mytwistonatale)**

WADHAM WORDS

### Rehearsals Begin

We would like to thank all of the students who came to audition for the school play.

We will be beginning rehearsals on **Wednesday 13th November** in the Drama Studio and Main Hall between 3.15 and 5pm. Anyone who wishes to be involved, even if they did not attend the initial auditions, and anyone wanting to be involved in backstage support should come to the first rehearsal.

### Dental & Medical Appointments

As you are aware, good school attendance is clearly linked to good academic and developmental progress for young people.

We therefore, respectfully ask that appointments are not arranged during school sessions, **except in exceptional cases.**

Also, we politely request that appointments are made so that students can attend at least half of the school day to minimise disruption to learning.

Finally, please can advance notice and appointment letters/cards be sent to the Attendance Officer in order for absences to be authorised. These can be handed to Reception or emailed to [alockie@wadhamschool.co.uk](mailto:alockie@wadhamschool.co.uk)

Thank you in advance for your continued support.

Sarah Coombe

## Somerset Careers Fair

*Sparking the imagination of thousands*

**Tuesday 12th November 2019 @ Yeovilton Fleet Air Arm Museum, 9am – 3pm and 4 – 7pm**

As a parent/carer it can sometimes be difficult to support your son/daughter with informed decisions relating to their future, especially education options, careers and job routes. Making the right decision about career progression routes has never been more important.

It can often be a minefield to get accurate, timely and important information relating to the many options, stages and varied progression routes including higher and further education, university fees & loans, apprenticeships, jobs and careers. It is also becoming increasingly important to get the right information at the right time – to help support GCSE options, post 16 institution choices and post 18 routes, including the new 16 – 18 T Level qualifications which launch in September 2020 and will be offered next year in Somerset, initially by Strode College and Bridgwater & Taunton College.

Our Somerset Careers Fair is aimed at providing parents/carers with the latest, best, impartial advice and information from the widest range of institutions and providers – including sixth forms, colleges, universities, apprenticeship providers, employers, community sector organisations, etc. This year's fair will have over 60 exhibitors all within the fabulous setting of the Fleet Air Arm museum.
