

Modern Psychoanalysis

- More intense, in depth and intellectually challenging than Psychotherapy.**
- A higher level of commitment in terms of time and money.**
- Uncovers childhood traumas and family relationships.**
- Believes the Unconscious Mind controls our behavior.**
- Thoughts, Emotions and Dreams are focused upon.**
- The relationship between the Patient and the Doctor is most important.**
- Treats the Causes and Symptoms of Psychopathology.**
- Explores the Person's relationship to themselves, to others and to society.**
- Aid in the deeper understanding of Religion and Politics.**
- Examines one's Purpose in Life and the Meaning of their Existence.**
- Probes the Depths of the Human Experience.**
