

The best compliment from a client is when they refer a friend or family member to us. This is one of the ways we grow our business and to show our appreciation we have started a referral program. For each referral that results in a new client, we will send you \$20, unlimited.

Follow these 3 simple steps:

1. Print and complete the Referral Form and give it to a friend or family member.
2. They bring the form to their appointment and get their taxes prepared.
3. We send you a \$20 gift card in the mail. It's simple and easy.

But most of all, it's our way of saying "Thank you!"
