The Kindness Rock Project

Join our grassroots kindness movement in making this world a kinder place! The goal of the rocks is to inspire someone and make them feel happy!

Paint the rock a bright color and let dry. Then, create a picture or inspirational sentiment on the rock. Once the rock is completely dry, seal it with a light coat of clear, outdoor, spray sealant. Leave it in our little garden in front of the Lakeville Public Library for others to take and share!
