The 2nd Annual Harvest Festival is a community event featuring family fun. Festivities will be held in the downtown Memorial Park from 11 a.m. – 4 p.m. Activities will include lots of fun games, scarecrow making, chicken poop drop, crafts, food and vendors. Proceeds from this year’s event will be used to continue improving the Memorial Park.

We are in need of numerous volunteers for this event. Anyone that is interested in helping out can sign up at the Captain’s Corner or Kelleys Island Venture Resort. We are in need of volunteers to run simple kids games, help out at craft stations, man the Bake Sale table, and other miscellaneous duties. Bake Sale items are also needed. Those interested in baking can sign-up at the Captain’s Corner.

Kelleys Island Community Chest / Absolutely KI! will also be sponsoring a Fall Mum Sale on Saturday, September 10. A wide variety of mums will be available to purchase.

From The Mayor’s Desk

First order of business is to congratulate our Island Softball team and staff on their convincing victory at Put-in-Bay. Having watched a few games and first hand witnessed the exceptional talent that our team demonstrated the outcome of the championship games was not a surprise. Hail to the Champs…

Dee Zimmerman advised me in June that she was going to retire from her position, of our Clerk of Court, effective September 1. Dee was kind enough to give advanced notice which gave us an opportunity to post the position, accept applications and interview three very qualified finalists. On July 25, the court staff interviewed the finalist and at the end of the process a decision was made. Our new Clerk of Court is Daneen Kindt. Daneen ran the August 15 Magistrate’s Court and demonstrated that the choice made by the committee was spot on. Welcome aboard…

This coming November election, the island will be presenting on the ballot, a renewal of our 1.25 mil Operating Expense levy. This levy provides 29% of the revenue to our General Fund. The General Fund is the back bone of every day operating expenses. From this fund we pay various services such as our Police Department, administrative personnel, Village Council, legal and court, zoning and land and buildings. This levy was first introduced in 2012 as funding from various state, and federal sources have been steadily reduced which then shifts the burden to the local governments. Your support of this levy would be greatly appreciated.

Come see the tall ship Appledore IV Tall Ship while it is docked at the Portside Marina this Labor Day weekend! The ship will arrive on Thursday, September 1, and offer both tours and sailing cruises throughout the weekend. Boarding tickets to tour the ship will be $5 each. Cruises will be offered on Friday, Saturday, and Sunday, lasting 1.5 hours, with tickets available for $60 each, or two for $100. The ship has a maximum capacity of 40 people, so make sure to grab your cruise tickets early – they are available for purchase on the Kelleys Island Chamber of Commerce website: www.kelleysisland-chamber.com
Kelleys Island Brewery

Part of the honor of being a business family on the island is being able to celebrate milestones with people that find you on the internet, or that have known you since you were a teenager. On August 13, the Kelleys Island Brewery was able to host the family of Bill and Mary Ann Bradburn. They celebrated her life and the island they called home. Family, friendships and laughter filled the air as we served all of the homemade donations of desserts, fresh vegetables, salads and yummy deviled eggs, always a party favorite. Although our changes this summer were ‘confusing’ to many, the families who rented the venue and hosted their parties were extremely satisfied with the function we were able to produce in tandem with our awesome Team KIB 2016.

We will be giving out a downsized edition of our Scavenger Hunt on September 10, with any purchase. We will be gathering pictures for our newsletter, that is coming in October, to our island kids and beyond via our new website. Stay tuned to our Facebook page so that you can get all the details for our future events:

September 17 is the Kayak Poker Paddle for Pooches. There will be 7 stops, live music, and a great fall menu. Whether you canoe, kayak or paddleboard, bring your equipment and we will meet across from the brewery, http://safrasej.wisite.com/kayakpoker.

October 8 is Octoberfest. With our handmade foods and reserve beers, it is a sell out each year. The lunch starts and 1:00 p.m. See you there.

October 15 hosts the Chili Cook-off. This year, stay tuned for the changes, the challenges and the mayhem that is the Chili cook-off.

Contact Patti if you would like to submit an entry this year. We are still looking for two judges. The event features live music and big prizes. Patti Johnson-Muranyi

September Island Day: Applications for Treasure Island Day sale and kit are available at the chamber office. The cost to participate is $25 which includes village permit, yard sale kit and placement on the map. Completed applications will be processed and yard sale kits may be picked up at the office any time after September 1.

Maps, for treasure seekers, will be distributed at the chamber office and the Island Market on the morning of September 10.

As the end of the season approaches, the Kelleys Island Chamber of Commerce is busier than ever, preparing for next season. Presently, 2017 Membership Renewals are being prepared and current members will be receiving a renewal invoice. Those interested in a new membership, please stop in or call the chamber office for information and an application.

Members, be sure to submit your events, on a form available at office, as soon as possible so that we can get the dates posted and available on the website. Please include as much information about your event as possible.

We will also be working on the Lake Erie Shores & Islands Co-op. It is our hope that members will participate in assisting with this advertisement opportunity.

Nominations are still being accepted for Kelleys Island Chamber of Commerce Board of Director positions. There are nomination forms available at the chamber office. Election will be held at the October General Meeting.

Our SINCERE THANKS to everyone who made Breakers Ball such a HUGE success. It far exceeded our expectations! We are still sending out thank you notes and we should have a list of everyone who helped make this an event to remember in the next issue of Kelleys Life. Make sure you check out the photo gallery on our website.

September 10 – Stop by our Yard Sale and at 11:00 take in a presentation on the Monarch Butterfly. Remember, Christmas is just around the corner –our gift shop will be closing soon.
variety of, large and small, potted mums will be available as well as a selection of gourds. The sale will take place in the pavilion located at Unc’l Dik’s.

Thank you to everyone who contributed to the Playground Project through donations and participating in the Harvest Festival. The play area has been very busy!

Kelleys Island Audubon Happenings

Judy DuShane

September is Nature Month for Kelleys Island Audubon. Our many events begin with “Glacial Glimpses” at 1:00 on Sunday, September 4. Meet at the Fishermen’s parking lot to find out about the island’s famous grooves.

Then on Saturday, September 10, there will be butterfly tagging at the “Butterfly Festival” located at the Kelleys Island Historical Museum at 11:00. See the Monarch Butterflies up close and learn more about their journey to Mexico. This year you might want to bring a bag chair.

The September meeting will be held on Thursday, September 15 with the island’s own Tom Behlen sharing information about his “Galapagos Island Hopping”. Tom was Director of the International Joint Commission on Lake Erie and also worked on water issues for the State of Ohio. The meeting will be held at the Kelleys Island School starting with a potluck at 6:00 followed by the program, at 7:00. Bring a dish to pass, your table setting, and a beverage or just come for the program.

On September 24th, the annual “Feathers and Foliage Festival” features bird banding at Long Point with master bird bander, Tom Bartlett. See the birds up close and personal. Also, watch the bulletin board at the post office for other banding opportunities in the fall. Tom returns to band the owls when the weather conditions are right.

The last meeting of the season is October 20th when Guy Denny, retired Chief of the Natural Area and Preserves, will come to the island to share some of his findings. The program is at the school with a potluck as above.

For more information on any of these activities call the President, Pat Hayes at 419.746.2258 or go to the website at www.kelleysislandnature.com.

And just like that the season is almost over.

First, I would like to thank those who came to share one of the greatest days in my life, Kim and I’s wedding. We had such a great time with our family and friends from the best island in Lake Erie, Kelleys Island.

Second, I would like to thank all the island residents and businesses who supported me at the August council meeting, in requesting a Kelleys Island K-9 unit. This issue was tabled, to be readdressed at the police-community on Thursday, August 25, 2016 at 1:00 p.m. Hopefully, prior to the next issue of Kelleys Life, I will have a new partner.

Lastly, I would like to thank everyone who assisted with the organizing of the 1st Annual Kelleys Island Police Department Pig Roast. Thank you to the Kelleys Island community for supporting your Kelleys Island Police Department!!! I also would like to thank all the businesses from Kelleys Island, our entertainers: Steve Brownell & DJ Hondo, Justin Dority from Perkins Police Department for cooking the pigs, NWOB for donating the beer trailer, Adrian Cantu & Kimberly Craig for bartending, M&M dunking for providing the dunk tank, and Laser Bounce Inflatables for providing the kids with several bounce houses and a Laser Tag house, Brad Meek who designed the shirts and lastly, all of my officers who did fingerprinting for the kids and serving of the food. I was told that this was such a great event we should do it next year. Yes, this will be a yearly event and hopefully it gets bigger and better every year. We still have shirts available from the Kelleys Island Pig Roast so, stop by the Kelleys Island Police Department to pick up these great shirts. I hope everyone has a safe and enjoyable end of the summer on Kelleys Island.

Respectfully yours,
Chief of Police,
Shawn M. Craig

Lottery for Controlled Deer Hunt

Berlin Heights, OH - A random drawing will be held to select participants for a special controlled deer hunt at Edison Woods MetroPark.

Edison Woods MetroPark encompasses more than 1,300 acres of sandstone cliffs, wetlands, woodlands, and meadows, in north central Ohio.

High deer population numbers have begun to negatively impact the flora of the nature preserve. Reducing the deer herd is an effective tool used to help protect threatened plant communities.

A lottery drawing will be held for adults only for a deer gun hunt during a portion of the statewide deer gun season 2016 through December 2nd 2016. The hunt will take place in sections of Edison Woods MetroPark in Berlin Heights, Ohio, from ½ hour before sunrise to noon.

Interested adult (18+) hunters may apply by mailing a piece of paper to ATTN: Tara Nagaich, Erie MetroParks 3910 Perkins Ave, Huron, Ohio 44839 with a $5 application fee of either cash or check (made out to Erie MetroParks). Applicants need to clearly print their name, address, phone number, birth date and whether you are mobility impaired on the letter with the words “Edison Woods Controlled Deer Hunt” labeled at the top. The letter must be postmarked by October 7th 2016 and include a $5 application fee to qualify.

Applicants need to clearly print their name, address, phone number, birth date and whether you are mobility impaired on the letter with the words “Edison Woods Controlled Deer Hunt” labeled at the top. The letter must be postmarked by October 7th 2016 and include a $5 application fee to qualify. Six permits will be issued per day and each hunter may bring one licensed partner. Chosen hunters will be notified by October 17th 2016 and must schedule their times by October 24th 2015 or your permit is forfeited.

Make-A-Wish Benefit Swim

Kelleys Island Make-A-Wish Benefit Swim weekend was a huge success. The weekend kicked off with the annual Golf Cart Poker Run on Saturday. A record number, 403 poker hands were sold, getting the weekend off to a great start. Registration for the Poker Run was held at Dockers Restaurant and the participants ended their day at the Kelleys Island Wine Co., where there were multiple baskets & items raffled off. Everything was donated by All Ports Yacht Club, Point Yacht Club at Cedar Point, George & Sharon Wilson, Sam & Janie Sharaba, Taste the Difference (Sweet Valley Pittie Stoppe) & Berts Jewelers. The $1,000.00 was won by Tim Bring. We hope that you enjoy spending it. The Barrel of Spirits was taken home by Kriss Hammond from Chicago. We know he will enjoy this prize. All ticket sales were pulled by Taylor Williate, one of our past Wish children. Sam & Janie Sharaba have been organizing and running this Poker Run since its beginning. Thank you for supporting us and helping to make this weekend so fantastic. Do you get better and better. Thank you to the island businesses that donate, volunteers that deal, and keep us safe. Throughout the hot summer months, the volunteer EMT’s have been busy with standby at many events, training, and a large number of calls. The KIs have appreciated the continued support of island residents and village officials. Remember “Go Right for Lights and Sirens”. Whenever you see an emergency responder, police, EMS or fire, move to the right side of the road and allow them safe passage.

Have you ever wondered what the donations from all of the EMS Spaghetti Dinners have been used for? Check out the EMS Polaris vehicle. Through the organizational skill of paramedic Russ Maust, an off-road rescue vehicle was purchased. This will make possible a speedy approach to anyone, injured or ill, on a beach, in the woods, or in the quarry. Thank you to everyone who donated to the KIEMS Association. Many thanks to Ahner Fabrication for their donation of a bed liner to the back of the Polaris. This made it possible to attach a cot and seat for transporting people to the ambulance. If you see the EMS out training this fall, stop by and watch.

EMS Open House: Sunday, September 25, 1:00-4:00 p.m. Stop by to visit, get your blood pressure taken and check out your EMS. Stay safe and enjoy the rest of the summer!

You know that Roaring 20’s gala that the Kelleys Island Historical Assoc. hosted? Well, it was a smashing success. Ticket sales were pretty steady until the week before and then we almost sold out! Much to our pleasure and surprise, almost every business on the Island contributed to the event in one form or another. While we would like to think of it as OUR event, it took the whole community to help us pull it off. We do have to apologize though. Since we are all still recovering from the massive amount of work it took to accomplish this feat, we fell behind in sending out all the thank you notes or even compiling a fully complete list of all the generous people, businesses and volunteers that made the event possible. We promise that as soon as we get it done, we will post it on our website (www.KelleysIslandHistorical.org), our Facebook page (Kelleys Island History Museum) and publish the list in the next issue of Kelleys Life. By the way, there are loads of photos from the event on the Breakers Ball page of our website. Stop by and see who came in costume.

Funds raised from this gala will go towards improvements in the church and parsonage which are both under our care. First on the list is re-doing the church windows and replacing the rotted cedar posts that hold up parts of the church floor and patching the large hole in the parsonage kitchen floor.

Everyone had such a great time that they want us to do it again. Well, that is certainly something to think about and we welcome any suggestions that you might have. Thanks to everyone who made this extraordinary event possible! www.KelleysIslandHistorical.org
Congratulations!

Our family wishes to thank everyone for their kindness during Ed’s illness especially the Kelleys Island Ferry Boatline, those who offered prayers, sent cards, brought food, called, sent e-mails and paid visits to Ed.

We also want to thank Steen Hospice for the wonderful, compassion and loving care given to Ed for many months. They really are angels on earth. May God continue to bless them and their mission to those who are ill.

Caroline Jorski and Family

Congratulations!

Denny (Moe) and Mary Lou (Boggi) Kaminski celebrated 50 years of marriage in August. Denny likes to claim that these years included four years happily and not consecutively. If you know Moe, he loves to make people laugh.

Moe and Mary were married at St. Jude Catholic Church on August 20, 1966. As was the custom of the Polish and Italian heritage, they celebrated with over 700 guests at a reception at the United Polish Club in Elyria.

Their years together have always included time spent on Kelleys Island. Denny’s mom (Aunt Mary’s sister) brought him to the island in 1946 at three weeks old. He spent every summer, while growing up at the Big House on Woodford, with his Aunt Mary, Uncle Leedy, and a multitude of aunts, uncles and cousins. Denny’s stories of island experiences could fill the pages of a 300-page chapter book.

Mary Lou fell in love with the Island when Denny introduced her to island life and the Big House during their high school years together. They introduced their four children: Shellei, Denny, Stacie and Karrie as infants to the Big House and the Island just like their dad had done years before them.

When Karrie was born, Aunt Mary took Denny aside and said “Denny, I love you here but, there is only so much space for all of our family to live together under one roof, so maybe it is time to build your own house”. In 1975, they purchased a lot from Jake Martin in the Bayview subdivision, built in 1979, and have resided there ever since.

Their family of four children has doubled adding son-in-law Ron Traut, daughter-in-law Carrie (Webber) Kaminski, son-in-laws Steve Dunstan and Ken Stafford. The original four has also doubled with their eight grandchildren: Ron Jr. and Taylor Traut, Sara and Allison Kaminski, Zachary, Brandon, and Luke Dunstan, and Nicholas Stafford. They have now grown to a family of sixteen, so they think it is time to have the Aunt Mary talk with their own kids. They are hoping to build an addition to their three bedroom home in the near future. There is only so much space for all of the aunts, uncles and cousins to enjoy the island together under one roof at the same time.

Mary and Denny both retired in June and look forward to spending more time on Kelleys and making more memories with their family and friends. Denny is now in his third term on Council and hopes to continue making a positive difference for the island they love.

The unveiling and dedication of the Island House Hotel Historical Marker took place on Saturday, August 20, 2016. The event was held in the Kelleys Island Memorial Park where the Historical Marker is now located. The ceremony was presented by the Kelleys Island Park Board and refreshments were provided by Kelleys Island Audubon Club.

Celebrate the Original Island House
June Campbell, Kelleys Island Park Board

For most island residents and visitors, The Island House means the lovely restaurant on Division Street which has hosted generations in the Kelleys Island tradition of hospitality.

Generally unknown is the original island home of Datus and Sara, now called The Healing Room, was Datus and Sarah Kelley’s original log home, built in 1834, also used as a boarding house. A few years later, the Kelley’s built a larger home for their large family “at the top of the hill from the steamship dock.” That site is now the downtown Memorial Park.

Steamships travelling between Buffalo-Cleveland-Toledo-Detroit frequently stopped at Kelleys Island to load up on wood before continuing to their destination. Also, people travelling to Sandusky often disembarked on Kelleys Island then boarded another steamer into Sandusky. People deposited on Kelleys Island needed a place to stay overnight, and the Kelley home was obvious at the top of the hill. Sarah Kelley graciously hosted these visitors providing board and shelter. After a few years of their growing hospitality and “Mrs. Kelley being taxed to the utmost,” according to Normal Hill’s book, The History of Kelleys Island, they added a 3-story addition to the north which became the Island House Hotel. It took up all the land to end beside Kelley Hall (now called the Old Town Hall).

Sarah and Datus’ son Addison and his wife took charge of the new hotel and opened it in 1853. Sarah and Datus continued to live there as “boarders.” Under subsequent owners, The Island House Hotel was enlarged again along E. Lakeshore Drive, formerly Water Street, until it reached the length of 240 feet. For many years the Island House Hotel was one of the most celebrated hotels along the great lakes and was the first grand hotel on the islands.

Bass fishing in the spring and pickerel fishing in the fall brought many fishermen. Wives and children of prosperous businessmen sought the comfort of lake breezes to escape cities in the summer. Their businessmen-husbands arrived for weekends (sound familiar?). The growing wine business also brought many visitors. The hotel business was booming.

Several remodels and improvements were made over the life-time of the hotel. Running water was pumped from the lake to guest rooms, and a boathouse and dance pavilion were built on the water’s edge. That building is now the Casino.

On November 2, 1877, after the season was over and the hotel empty of guests, a fire began in the boiler room and heroic efforts from the island residents could not save the large wooden structure. The owner at that time, Jacob Rush, saved much of the furnishings, but the large wooden building was destroyed. Mortgages and lack of sufficient insurance coverage left Mr. Rush without means to re-build. The property changed hands again, and a smaller hotel was built by George Schardt, it too, burned down. In 1923 John Himmelein, who also owned the Himmelein House Hotel, had acquired the vacant land and donated it to the Village for a Memorial Park, as it remains today.

Port Clinton, Ohio-The owners of African Safari Wildlife Park have increased the reward, hoping it will urge anyone who knows something to come forward and talk with the Police.

On the evening of June 28, 2016, African Safari was vandalized, several al trees were cut down, and the fence was pried away from the posts. Danbury Township Police have interviewed several area residents about the incident. "Any information in this case could be the key piece of evidence we need to arrest the person or persons responsible. The damage to the property was quite extensive. It was clearly malicious and we are looking into any information the community can offer, every bit helps," said Sergeant Detective Mark Meisler.

African Safari Wildlife Park is a very active member of the community and lends its support whenever possible; however, this time it is the one asking for support.

If you know any information regarding the crime or individuals involved, please contact the Danbury Police Department at 419-732-2549.

The Midwest’s only Drive-Thru Safari, African Safari Wildlife Park, is located at 1407 S. Lightnin Rd. in Port Clinton, Ohio. It is open daily through December 4th, 2016, www.AfricanSafariWildlifePark.com

Carol Nelson-Burns

A new face has been arriving on Kelleys for over a year now, coming to serve (and in many very special ways, save!) islanders in need of home health services. Nurse Nancy as she has come to be called breezes in, reminiscent of Mary Poppins: upbeat, airy, practical and whimsical only in her ready smile and humor, and her very “patient” commitment to the cohort of islanders she tends to with faith and high spirits.

An Ohio native, born in Marion, Nancy Thomas comes to Kelleys with a long commitment to caring for the health and well-being of others. Trained as a paramedic and critical care registered nurse, she joined Ohioans Home Health Care a year and a half ago. She was previously employed at Blanchard Valley Hospital where she worked in ICU, CCU, and post-open heart critical care areas, Ohioans Home Health Care, which operates in various Ohio counties, established a Sandusky office five years ago.

Services to the islands emerged when Nancy saw a need. Today, she travels throughout northwest Ohio mainland counties as well as to Put-in-Bay and Kelleys mindful of the needs of island people. It is a commitment, almost a mission. Her goal, she says, is “to take the very best care of a person, giving whatever skills and gifts I can give to that person.” In addition to her established duties of monitoring health, certifying health status, and taking vitals, she attends to the needs she finds, even providing the services that aides typically fulfill when such service is needed, including bathing, grooming, or being fed.

Having recently celebrating their 25 Year Silver Anniversary, she and husband Ron (“we’re Ron and Nancy, like the Reagans” she quips)—have three adult daughters and one adult son, providing them five grandchildren to whom she is equally (well, we’d expect probably even more) devoted. Still, she seems to have boundless energy, vigor, and spirit. Her commitment comes from the heart, as she reports that she “loves the opportunity of bringing home care to the islands because it wasn’t available previously.”

And THAT’s why Charlie and I could come back—to join the ‘class’ of Nancy’s patients. God bless Nurse Nancy, in this, her mission. Carol NB

Queen of our Kitchen, Nora Zettler

Here are a few fall recipes to try. They have been taken from “Queen of our Kitchen, Nora Zettler”, a fantastic collection of Nora’s personal recipes. The collection was compiled and sent to publication by Toby Zettler and includes his personal commentary as well as some family photos.

Tomato and Onion Pie

- 4 Tbsp olive oil
- 3 Sliced medium tomatoes
- 2 Large onions, chopped
- ¼ Cup freshly chopped herb or 1 Tbsp dried
- 4 Cloves garlic, chopped

1. In a 8” deep dish pie shell, arrange sliced tomatoes on top and bake in a preheated 350 degree oven about 30 minutes or until set and lightly browned.
Yield: 4 to 6 persons

Butternut Souffle

- 3 Eggs, separated
- ½ Cup milk
- 2 ½ Cups butternut squash, mashed, cooked
- ¼ Cup golden raisins
- ¼ Cup butter or margarine, melted
- ½ Cup salt
- 1 Tbsp lemon rind, grated
- 3 Tbsp brown sugar

1. Beat egg yolks until thick and lemon-colored. Stir in squash, butter, milk, raisins, salt and lemon rind. Set aside.
2. Have egg whites at room temperature and beat until foamy; gradually add sugar, one tbsp. at a time, beating until stiff peaks form. Gently fold whites into squash mixture. Carefully spoon into a lightly greased, 2-quart soufflé dish. Bake in a preheated 350-degree oven for 1 hour or until puffed and lightly browned. Serve immediately.
Yield: 6 to 8 persons

Lake Erie Western Basin Fishing Report

Walleye
Where: Many of the fish being caught have been below the 15 inch legal size limit, primarily from the 2014 year class. There have been very few recent walleye reports. The best areas have been “L” can of the Camp Perry firing range and south of Kelleys Island.
How: Most fish have been caught by trolling with spoons or worm harnesses, and by casting with weight forward spinners or mayfly rigs.

Yellow Perch
Where: Yellow perch fishing in the western basin has been improving with the best spots being north of the Toledo water intake, around “D” and “G” buoys of the Camp Perry firing range, Rattlesnake Island, both west and south of Green Island, and south of Kelleys Island.
How: Perch spreaders with shinners fished near the bottom produce the most fish.

Largemouth Bass
Where: Largemouth bass have been caught in harbors and along the main lake shoreline around Catawba and Marblehead.
How: Anglers are using drop shot rigs, tube jigs, and crankbaits.

Yellow Perch
Where: Yellow perch fishing in the western basin has been improving with the best spots being north of the Toledo water intake, around “D” and “G” buoys of the Camp Perry firing range, Rattlesnake Island, both west and south of Green Island, and south of Kelleys Island.
How: Perch spreaders with shinners fished near the bottom produce the most fish.

What Can Serving Our Seniors Do For You?!

If you remember nothing else from this article, I hope that you remember this... Serving Our Seniors is someone to call when you need help. Call us at 419-624-1856 or 800-564-1856.

December 16, 2016 will mark the 20 year Anniversary of Serving Our Seniors. We opened our doors on December 16, 1996 to serve the Erie County population, ages 60 and better in their quest to maintain their independence, for the rights of Erie County residents, for the Kelleys Island Senior Lunch place to call when an Erie County senior citizen had a question/issue to bring to our attention. We opened our doors on December 16, 1996 to serve the Erie County population, ages 60 and better in their quest to maintain their independence? It may not have been the intention of the founders of this agency, but it is certainly the mission that we live by.

Some think of our office as a “ONE STOP SHOP”.

So what does Serving Our Seniors do that would be helpful to a Kelleys Island resident in their quest to maintain their independence? It may surprise you to learn that we do much more than fund the food service for the Kelleys Island Senior Lunch Groups. First and foremost, we advocate for the rights of Erie County residents, ages 60+, to maintain their independence. If our agency doesn’t offer a particular service that could help you, we probably know who does. We will do the research and the coordination to bring it all together and follow up until it is implemented to your satisfaction.

As an advocate, we respect your autonomy. Serving Our Seniors isn’t going to force you to accept our help. We will only do, what you will give us permission to do.

Here are some examples of how the staff at Serving Our Seniors can help you:

- Confounded by Medicare? Are you baffled by what Medicare does or what Medicare doesn’t do? Call our office and ask your questions. If it is too complex to resolve by telephone, you can make an appointment to speak face-to-face with a Medicare Counselor at Serving Our Seniors Office. If there is enough interest, we might be able to arrange for a Medicare Counselor to come to Kelleys Island.

- Do I Need a New Medicare Part D (Drug Coverage) Plan? If you don’t know what medications your Medicare Part D Drug Plan will cover for you in 2017, we can help you find out. Call our office and make an appointment. It is entirely possible, that we can solve this by phone.

- • Out of Town Transportation to Health Care Appointments. If you are functionally independent, meaning - able to walk without assistance, get into and out of a car without assistance, require no supervision/direction due to a cognitive impairment.

- • Ramps. If you are experiencing a physical disability that is compromising your ability to safely enter and exit your home, Serving Our Seniors can install a ramp to help you maintain your independence. You must be living in that home to qualify.

- Answer Your Questions/Concerns - If you have a question and you don’t know who to ask, call our office. We answer 40 – 50 questions a day. The questions range from simple, i.e., “Can you get me a ride to the doctor’s office?” to complex, i.e., to “I think I have been a victim of elder-fraud/exploitation. What should I do?” And we answer almost anything in between as it relates to advocating for you as an older American and maintaining your independent functioning.

I hope that I have piqued your interest about Serving Our Seniors. Call our office to explore other ways we might be able to assist you at 419-624-1856 or 800-564-1856.

Serving Our Seniors is a non-profit, geriatric social service. It is located at 310 E. Boalt Street in Sandusky, funded by the Erie County Senior Services Tax Levy, private donations, fund-raisers, and local grants. Its mission is to provide services that support Erie County citizens, ages 60+, to continue healthy living and to maintain their independence.

Ed Jorski
September 6, 1935 – August 22, 2016
(age 80)

Ed Jorski entered into eternal rest peacefully at his home on Kelleys Island on August 22, 2016, surrounded by family while being cared for by Stein Hospice of Sandusky, Ohio. Surviving Ed are his wife, Caroline; daughter, Susan Hencinski of Duluth, Minnesota; Edward Jr. of Kelleys Island, Janette Marie Jorski of Parma, Ohio and granddaughter, Ana Lee Morse of Rochester, Minnesota. Many nieces and nephews.

Ed was a member of St. Michael’s Catholic Church on Kelleys Island. Previously he lived in Solon, Ohio where he belonged to St. Rita’s Catholic Church and was a member of the Holy Name Society and was also active in the Boy Scouts of America for several years as a Webelos Scout Leader. He was active at St. Rita’s Parish and the Dad’s Club of Notre Dame Academy in Chardon, Ohio working on their chicken dinners to raise money for the Academy. While living on Kelleys Island, he was a member of the Kelleys Island Fire Department and worked for Kelstone on Kelleys Island.

He retired from St. Alexis Hospital where he was employed in the Maintenance Department. People remember Ed as passing the summers on his porch waving to those passing by and he would even invite them on the porch for a chat. He will be missed.
