

## CenterFire Pistol League – Winter 2025

The Southport Winter Precision Pistol (aka Bullseye) league was January to April 2025 for 13 weeks. Course of Fire was one National Match Course with a .22 and one National Match Course with a centerfire pistol for a total of 60 shots. Fourteen (14) Shooters chose to shoot each phase with a .22 pistol. Fifteen (15) shooters shot the first stage with a .22 and the second stage with a choice of a centerfire pistol. Centerfire pistols used included: 9mm, .32, .38, or .45 caliber.

High highest score for each match in each stage is used to determine ranking and awards to recipients. For awards, the shooters were grouped by .22 only, and .22 & Centerfire. Individual ranking was made for each of the individual matches: 10 shots in slow fire (10 minutes), 10 shots in time fire (2 strings of 5 shots in 20 seconds), and 10 shots in rapid fire (2 strings of 5 shots in 10 seconds). Aggregate totals were made in each stage. Total League Aggregate Winners were:
