

## **September is National Sickle Cell Disease Month!**

**CHURCHES ARE BEING ASKED TO TAKE UP A SICKLE CELL OFFERING ON A SUNDAY IN SEPTEMBER OR A MONTH OF YOUR CHOOSING.**

All contributions are tax deductible!

Contributions are used to assist Sickle Cell Patients experiencing extreme emergencies which cannot be covered by State Funds!!!

This disorder is a “highly neglected cause” in the general community. Please join us in reaching across barriers of neglect, misinformation, ethnicities, poor funding, challenging life experiences, and “unwarranted personal shame” to help those who feel often forgotten.

**Please join us as we continue to put Compassion, Hope, and Love into Christian Action!**

Thanks for your consideration and assistance! Please complete the registration form on the **Partnership** page and select your payment option,
