Hello Riders! Here we are into another month of the new year, I am certain all of you are getting eager to get out on the open road this spring! With that, we are still in the process of organizing our calendar of events. We have lots of family fun events to look forward to this coming calendar year. Be sure to check our Region 21 FB page for an updated schedule, coming soon!

To start this month's meeting, we opened a thank you card from one of our holiday box recipients, Kilchermann AFC. In return for their gratefulness Region 21 donated a gift basket to their facility, full of things to keep their minds occupied and each other healthy & safe. Thank you to all of those who donated items and contributed to this thoughtful gesture.

We had a FANTASTIC turn out this month at our meeting as we kicked off our New Member Recruitment Challenge last month. It is exciting and rewarding to see new faces at each meeting so keep them coming!! Each meeting comes new challenges and events. The following are a few things from this month's meeting:

Farthest traveler challenge: WINNER: Bernie Shephard, taking 2 HD flyers instead of the cash prize!
UPDATE: ALL the flyers for the Harley Davidson Table & Chairs are spoken for! The drawing will be held Saturday February 13th @ Noon, Check our Region 21 FB page for the winner!
The winning half of the 50/50 drawing was donated back by Brice Hillard, Thank you Brice! Region 21 then MATCHED the total earnings, donating them to the Otto Family for the recent loss of their brother Karry. Our continued prayers go out to the family during this difficult time.

I would like to thank everyone who continues to make this Region beneficial to both our members and our communities. We look forward to a fun year, full of exciting events.....until next time!

As always, Stay Safe & Stay Smart!
