The STABLE CALL FEE listed includes the stable call, mileage, saddle fit evaluation and looking at/trying saddles for an approximate 2 hour time period. The STABLE CALL FEE listed in this chart is for ONE person, ONE horse in ONE location. Each additional horse per person is \$50. The mileage in the STABLE CALL FEE has already been divided to account for multiple appointments in a travel day. Multiple clients in one location must be confirmed in advanced for scheduling purposes—unscheduled add-ons cannot be accommodated. The STABLE CALL FEE is NOT divided among the total number of people seen in one travel day. Saddle alterations, flocking (\$125 on-site adjustments) and products are paid for in addition to the STABLE CALL FEE. STABLE CALL FEES are NON-REFUNDABLE. The STABLE CALL FEE and any additional saddle adjustments and products are paid for on the day of the appointment— we do not bill. Cash, checks, PayPal and all four major credit cards are accepted. We do NOT offer payment plans. \*LONG ISLAND: Please add \$40 to the STABLE CALL FEE for tolls.\*
