A monthly newsletter for friends and members of our church...

## Greeting from Jay Kim

### Too Simple to Notice

*"Looking to Jesus the pioneer and perfecter of our faith." Hebrews 12:2*

I have a friend who is a medical doctor in Ohio. He is both a surgeon and a fitness trainer, as well as a former wrestler from his high school days. His wife is a nutritionist and fitness trainer too. They are a so-called "healthy family", always eating 100% fat and cholesterol-free foods. One day, I asked him to give me some special tips for keeping in good shape, and expected to hear some sort of secret way of living a healthy life. Then he simply emailed me the following directions, saying, "Do these five basic things, and you will live a happy and long life."

1. Eat vegetables every meal.
2. Exercise regularly.
3. Don't eat late at night.
4. Don't eat too much.
5. Try to avoid sweets and caffeinated stuff, or at least eat reasonable amounts of it.

When reading it, I was thinking, "Is that it?" Then he said at the end of the email, "Many people are in bad shape and unhealthy because they don't do these simple things which they already know."

You might wonder what would be the most effective ways to get close to God and grow in your relationship with Christ. So, in Bible classes, you might try to really get into the heart of the knowledge of Biblical contents, history, and theology. However, your desire for growing faith in Him might be still feel unfulfilled because the answer that you are looking for is not among the principles of complicated learning. It is laid at the foot of the cross. Do you really confess that Jesus is your only Savior, and that you were purchased by His blood? Does it seem too simple? Yes, it is simple, and this is often overlooked, but this confession tells everything about growing and cultivating a relationship with Christ. Look to the cross. All the answers to your questions are there.

Jay Kim

## Children and Youth News — April 2016

It's officially Spring and Easter came early this year. Thank you to Gayle Redecker, who instructed the children in the Elementary Classroom in March. And, a big "THANK YOU" goes to Helen McConnell, who like Gayle, is teaching a second month this year, in April.

Sunday, March 20th, was the end of the Lenten "Secret Pals" Ministry this year. Twenty-eight children, sponsors, and family members attended the luncheon. The children enjoyed a cross coloring activity until all were gathered. Then they had a mini-Easter Egg Hunt to discover the identity of their secret pals. After a prayer, everyone enjoyed a fried chicken dinner, the children and family sitting with their secret pals. Many thanks to those who helped in the kitchen, contributed food, and helped clean up after the luncheon.

As I am writing this shortly before Easter, the annual children's Easter Egg Hunt has not happened yet, so I will include it in May's Chimes.

**There has been interest expressed in attending church camp this summer by several families. At this time, scholarships for church camp has been set at \$100 per camper. There will be a display of camp information and registration forms in the church Parlor soon. Please let Pat in the church office, or Barb Kendle know ASAP if summer camp works out for your child/children this summer. There are early bird discounts available for each camp and the dates for these discounts vary depending on the camp. Camp information will be available for Camp Rock near Bridgeport, Camp Norweska, near Chadron, and Victory Heights Bible Camp, also near Chadron.**

The CYM Team will meet next, as part of the Spiritual Formation and Outreach Team, on Sunday, April 3rd, in the Conference Room after Worship and Fellowship. Please feel free to join us.

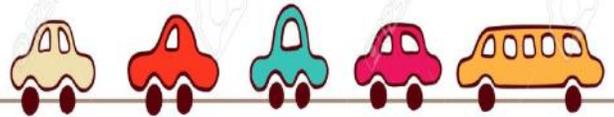

## Spring Work Day

Please join the Trustees for a church clean up on April 23rd, beginning at 9:00 A.M.

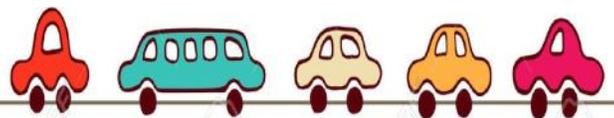

A sign-up sheet will be in the Parlor if you would like to put your name down for any of the tasks that need to be accomplished.

Thanks for your help!

## Meals on Wheels

## Thoughts for the Journey...

*In the year that King Uzziah died, I saw the Lord sitting on a throne, high and lifted up, and the train of His robe filled the temple.*

**Isaiah 6:1**

Sometimes after a calamitous event, a well-meaning person will say, "Not to worry. God is still on His throne and everything will be alright." That is definitely true, and such statements affirm our belief in the sovereignty and providence of God in all things. But the word "still" poses a bit of a problem.

When we say something is "still" true it suggests the possibility that one day it might *not* be true. It suggests that we have looked into heaven to see if something terrible occurred because God was momentarily away from His throne. Re-

lieved, we say, "No—God is still on the throne so we know this event was part of His plan." By definition, God would not be God if He was not on the throne of God. Indeed, God can never *not* be God; God can never *not* be on His throne. That's why Paul could write verses like Romans 8:28: Even when bad things happen, we know they are within God's sovereign plan to conform us to Christ's image. Bad things happen *while* God is on His throne, not while He is not on His throne.

Let us praise God today that He has always been on His throne and always will be.

*The fixed point in the universe, the unalterable fact, is the throne of God.*
