The Executive Councillor (Health)

Gomati District.

Sub: - Request for setting up a community Health Centre at Khuluma.

Dear Sir,

I want to bring to your kind notice that our village khuluma does not have any Govt. dispensary or a community health centre. Khuluma is a big village having more than ten thousand people living on it.

Sir, the villagers suffer a lot of difficulties and inconveniences for want of a community health here. The sick are left at the mercy of some quacks and private greedy practitioners who are busy with repairing their fortune. More over, at present, due to COVID-19 pandemic situation in the country people have become at a loss. Quite after some ailments have resulted into fatal ones when there are treated by these private practitioners.

In view of above, I honestly appeal you to make provision for setting up a community health centre at the village to give great relief to the afflicted villagers and does oblige thereby.

Yours faithfully,

Rahul, Sarpanch,

Khuluma Village.
