Thank you for your inquiry,

The National Instant Criminal Background Check System (NICS) is a descriptor based name search, if you believe you have been **erroneously denied**, you may submit a request to challenge the deny decision.

The agency which processed your NICS transaction is required to have a challenge process. You may make an application first to the *denying agency*, i.e., the state or local law enforcement agency that processed your transaction. As an alternative to challenging directly through the denying agency, you may elect to submit your challenge to the FBI Criminal Justice Information Services Division.

You may request:

1. Reason(s) for your firearm-related denial
2. Challenge the reason(s) for your firearm-related denial (select this reason)

Please Visit:

<https://www.edo.cjis.gov>

****Please open our site in Internet Explorer, Microsoft Edge, or Mozilla Firefox. Please type out all information, the site does not allow for cut/copy/paste. Please use a desktop or laptop computer – not a phone or a tablet.***

*****If you have already requested a link and PIN and you did not complete the application process, or you keep getting an error message that link and PIN are no longer valid, you will need to go back and put your email address in again and request a new link and PIN to use.***

1. On this website you will scroll to the bottom and complete the section titled "Challenging Your Identity History Summary OR Your Firearm Related Denial".
2. Under the heading "Challenging Your Identity History Summary or Your Firearm-Related Denial", enter your e-mail address and click "Submit"
3. You will receive an email titled Criminal Justice Information Services – open the email and click on the link
4. Enter your PIN you received in the email and click "Login"

5. The next web page will give you two options. Select "Request Reason(s) For or Challenge Your Firearm-Related Denial"
6. Read the Privacy Act Statement, click the box by "I Accept", and click "Continue"
7. It is at this point you will have the option to request the reason(s) for your firearm-related denial, or the option to challenge the reason(s) for your firearm-related denial. Select the drop-down menu under "Challenge Reason" and click on which option you wish to complete
8. Complete the required data fields and follow the online instructions to complete and submit your request

For customers without internet access, you may mail a request to the address listed below:

FBI CJIS Division
ATTN: CRIMINAL HISTORY ANALYSIS TEAM 1 BTC 3
1000 Custer Hollow Rd.
Clarksburg, WV 26306

The challenge submission **must** include:

1. NICS Transaction Number (NTN)
2. Your full name
3. Your complete mailing address

Providing a set of your rolled fingerprint impressions by law enforcement or an authorized fingerprinting agency is highly recommended to help expedite your request to challenge a deny decision.

Any local law enforcement agency or any agency with experience taking fingerprints should be able to assist you with taking your fingerprints. We do not have a list of agencies that provide these services. You can either have them do the ink fingerprints or, if they are capable of doing the digital fingerprinting and can print the hard copy card off for you to mail in to us, you can do it that was as well. If they are unable to assist, you may take them yourself with black ink. You can print the fingerprint card from the attachment in this email on regular white paper. If you do choose to take the fingerprints yourself, please refer to the link below for guidance on how to do that. We do not have a list of agencies that perform these services. We do not accept fingerprints through fax or email.

<https://www.fbi.gov/services/cjis/fingerprints-and-other-biometrics/recording-legible-fingerprints>

A completed fingerprint card should contain the following:

1. **Full name at the top**
2. **Descriptive data (sex, race, height, weight, hair color, eye color)**
3. **Date of birth**
4. **Place of birth**
5. **Reason for the request**

6. **All 14 fingerprint blocks**
7. **Signature of the person being fingerprinted**

Everything else on the card can be left blank.

You will **mail** the fingerprint card to:

FBI CJIS Division
ATTN: CRIMINAL HISTORY ANALYSIS TEAM 1 BTC 3
1000 Custer Hollow Road
Clarksburg, WV 26306

The FBI CJIS Division cannot release the reason for deny over the phone or email.

The overturn of a denial will not automatically result in a proceed response on subsequent firearm purchases. A complete NICS check is still required and may result in a denial or delay if additional prohibitive or potentially prohibitive information is discovered.

Thank you,
Brenda
