

HAPPY BIRTHDAY JESUS

The purpose of this Illustration is to depict the position of the Sun on what many have come to believe is the Date of Jesus' Birth, September 11, -3 BC. This Date is an Anniversary of the 21 Year or 7-7-7 Shemitah Countdown since the Twin Tower Attacks by Globalist Luciferian Cabal. Of note is the position of the Sun that is at the Marker that delineates the Mazzaroth from its Start to End or from its End to its Beginning. It is a Prophetic Echo of the Dispositions and Nature of Jesus, who is the Lion of the Tribe of Judah and the Bright and Morning Star Venus. Jesus said of Himself that his is the Alpha and the Omega, the Beginning and the End of the Mazzaroth and al that is and will be.
