

PA Mandated Background Check Renewals

Attention all registered adults. This is a reminder that PA mandated background checks must be renewed every 60 months (5 years).

Background checks that must be renewed include the “Report of Criminal History from the Pennsylvania State Police” and the “Child Abuse History Clearance from the Department of Human Services”. The FBI clearance / Disclosure Statement do not expire, no renewal required.

Since many of the troop registered adults acquired their mandated background checks in the fall of 2015 they will be expiring this year. Please renew your background checks within 3 months of your expiration date. You can determine your expiration date by reviewing your existing mandated background checks or you can reach out to Dave Schertz for your expiration date.

Renewing background checks is free to volunteers. See the link below for details on renewing your background checks <https://www.cccbsa.org/resources/pa-background-checks/clearances/>

After renewing your background checks please return a copy to Dave Schertz at his home address (576 Brinton Road, Wayne, PA 19087). Background checks will be forwarded to Chester County Council. Alternately, you can send your background checks directly to Chester County Council.

Questions, please contact Dave Schertz at 610-812-6961.
