Biography

On Sunday, October 24, Margaret (Maggie) Lynn Sadro of Bad Axe, passed away after a courageous battle with liver cancer at the age of 61. She was able to be at peace in the comfort of her home, cozied up in her flannel pajamas and surrounded by family. Margaret was born June 4, 1960, in Bad Axe, daughter of the late Virginia (Miller) and William Krug. Margaret was a 1978 graduate of Bad Axe High School. She was employed at the office of the late Dr. James Haley, then for Huron Behavioral Health until she went independent and started her own company, Lakeshore Livestock Logistics. She later worked in conjunction with her husband's business, Sadro Transport, LLC. until his death in 2019. Maggie enjoyed spending time with her family, especially her four grandchildren who meant the world to her; Logen and Shelby Sadro of Bad Axe, and Allison and Taylor Protzman of Caseville. She loved being involved with the little things in relation to farming issues and spent a lot of time touring the crops on the back roads while stopping along the way to chat with everyone in her path, tending to her flowers, watching the Tigers, and pressing that 'auto pilot' button in her car that was programmed to travel to the Michigan casinos.
