RITUALISTIC OBELISK SACRIFICE ATOP PYRAMID HEXAGRAM TEMPLE

A HIDDEN MATHEMATICAL MURDER

In the wake of the 50th Year Anniversary of the assassination of President Kennedy, this chart illustrates some hidden never before revealed aspects of the assassination in terms of number patterns based off of GPS. With the aid of modern GPS coordinates, specific spots on Earth can be numerically calculated down to the seconds of degree. The Murder of US President John F. Kennedy in Dallas Texas on November 22, 1963 was a Luciferian ritualistic murder that had to take place on a certain date, certain hour, certain angle, certain degree heading to achieve its intended goal. This murder was an act of worship of sacrificially killing of the most powerful man on Earth at the time. It was to take place within the 3 dimensional geometric holy of holies of the *Masters of the Pyramid 'capstone'*. No mere mortal could have orchestrated these events to be in sync and in precision mathematically. The patterns involved certain repeating sacred numbers in heading, seconds, and degrees. In essence, this occultic sacrificial ritual was a type of 'crucifixion'. His slow motorcade procession up the Obelisk was like Christ carrying His Cross to the spot of His execution. The Dallas city grid Obelisk is a Pyramid having 13 sectioned-off Satanic levels of initiation. The 'Capstone' is the 14th as in the 14th 'Station of the Cross' that culminated in the President's assassination and ritualistic murder. On November 22, 2013 at precisely 12:30pm CST, the Obelisk which is at a 13° heading will be aligned directly with Mars.

This assassination was a religious offering that was planned well in advance to coincide with a specific 1) day, 2) location & 3) time. The President was driven up the financial district that configures the phallic Obelisk. This long procession generated a surge of energy that was released at the point the 'victim' was slaughtered at the Pyramids' altar of sacrifice.

At the center of many worldwide sacred geometric grids, one will find the headquarters of the major secret societies and the major banking institutions. A recurring numerology of 13, 33 and 1776 denote the encoding of a specific time-frame that is to be prophetically fulfilled when the Master of the Pyramid himself will 'reunite' with the 'unfinished tower' or obelisk to complete the 'Temple'. The upcoming year of 2015-16 or 5776 in Jewish reckoning will be the Year of Light. Many in the occult believe and are awaiting their prince of darkness, Lucifer to 'Prometheus' on them.

When using a compass to draw a circle, the 5 points will be spaced at exactly 72 degrees apart with the first point being at the top or pinnacle. Here are also 72 Stones in the truncated pyramid -reverse Seal of USA.

The spot of the murder was an Altar. It became a depiction of a crucifixion whereby the President was executed -being almost like a 'christ-figure' to the masses. Like Christ, his ideals and thinking was not in line with those that are given total control and power. He had to be eliminated.

Is it mere coincidence that it was on November 22 that there is precisely .22 miles from the Reunion Tower to the apex of the Dealey Pyramid? Is it a mere coincidence that it is .22 Nautical Miles from the Tower to the Kill Shot were the sacrificial victim was executed upon the Pyramid's 'altar'? All these peculiarities could not have been orchestrated to also correlated to factor the number 33 with Latitude and Longitude. Grid coordinates are fixed on Earth but to have the factor of 'timing' correspond to the calendar day and distance in mathematically impossible to be a random chance.

The exact site of the Kill Shot is in φ ratio to the Obelisk that later would commemorate the assassination of Kennedy in bronze plaques. The 13 level Obelisk mirrors the Dallas city street grid that has Dealey Plaza as the

The city of Dallas, at its center downtown, has a prominent Tower that commands the skyline and overshadows Dealey Plaza called 'Reunion'. This was the crime scene of the murder of the US President John F. Kennedy on November 22, 1963. The Plaza 'triangle' or Pyramid is a hidden 'capstone' of the All Seeing Eye of Lucifer that is awaiting the 'REUNION' to his Luciferian temple of worship on Earth. The Tower is called just that, Reunion Tower that is beckoning the reunion of his what?

It is beckoning the reunion of the 'capstone' with the unfinished pyramid or 'tower' that needs to be completed. This echoes the story of the Tower of Babel that the GOD of the Bible, YHWH interrupted man's effort to achieve entrance and 'godhood' but without the help and blessing of YHWH. In essence, it is the Luciferian 'Great Work' of having Satan complete his unholy 'temple' or tower amongst men. The problem and challenge is that this temple can only be erected on the Temple Mount in Jerusalem.

From the 'Dark' Tower, if one projects several headings in degrees, to the 'capstone pyramid', one ends up with some amazing and hidden esoteric and occultic/Satanic repeating numbers. They are a factor or 33, 96, 32, 13, 22, etc. Each has its own meaning and reason for usage in influencing people and places. These numbers are sacred in the scheme of witchcraft used to gain supernatural demonic powers by those that are the Masters of the Pyramid.

The sacrificial rite required a triple confirmation of 33, the highest Satanic order in numbers. It correlated to the exact heading of the Obelisk Capstone and the Latitude and Longitude of the very 'kill shot' spot -down to the very second of 33" at 12:30pm. Consider that the motorcade was in motion as well.

The Dallas Obelisk has 13 street divisions although some are blurred by modern reconfiguration. There is an Obelisk and Statue at the base of the 'Capstone' Dealey Plaza entrance that serves as pylons that opens the door, unapparent to the bystander to the geometric configured tetrahedron Luciferian Temple of Sacrifice. It happens to be in phi ratio to the exact spot Kennedy was shot.

The obelisk is a representation of the male phallus that provides seed for a regeneration and reproduction act. It exemplifies the sexual energies released at the point of climax. To this end those sacrificed in most Luciferian/satanic rituals involve sexual acts. The victims are chosen for who they are and/o what they represent. When a sacrificial rite is performed at a certain time and place, the power derived from the sexual acts and torture summons demonic entities and as the greater value of the sacrifice is, the greater power is unleashed and bestowed by the Masters of the Pyramid.
