You will also get our 2 homemade BBQ sauces, one mild and one spicy. This is the same meat you would get from a roasted pig. Makes a great alternative to roasting and carving the pig.

Beef Brisket (Smoked): \$145.00 per pan. Each pan will serve about 25-30 people. Brisket cooked slow and low with our special rub and then sliced thin. Includes our homemade sauces.

BBQ Spare or Baby Back Ribs (pork): \$140.00 per pan. Approximately 60 ribs. covered with a secret wet rub of spices and smoked over cherry wood. Then they are glazed with BBQ sauce and ready to eat. If you're a true fan of BBQ food you will love these. Homemade sauce included.

Lightly Smoked Turkey Breast (2 per pan) \$130.00 Smoked using apple or cherry wood and sliced thin. A nice choice for those who would like to add something different to their pig roast. Smoked Wings: \$85.00 per pan. About 65-75 pieces. Chicken wings rolled in my special dry rub, smoked over cherry wood and covered with a mild or spicy sauce. A great way to start any big party. These are our most requested item to be added to a pig roast.

Some locations require a “certificate of insurance” from me the caterer and I can provide this with just a phone call to my insurance agent.

Most certificates of insurance will be a flat rate of \$110 paid by you the customer. Call me and I will help you with any info that you will need. Health permits are needed if you are selling tickets to the public, such as fund raisers. We have no problem with health inspections due to the fact we adhere to NJ health standards everywhere we go, public or private.

Pig roasts require about 12 X 20 feet the more the better. I understand that in some towns room can be hard to find. But we must work safe, I have a perfect safety record and we like to keep it that way. We do not cook in buildings or garages, under or on decks, on boats, or under low hanging trees. We do not place our cooking equipment against buildings or near trash dumpsters.

Pig roasts have one cook & one assistant.

BBQ Picnics have one grill cook & one food set up person. We ask that your guests not touch any of our equipment at any time.

Weather: We can cook rain or shine. In the case of an extreme event such as hurricane winds or violent thunderstorms we will do our best to work with you to make the party happen.

Final Payment is due at the completion of the job, Cash, check or credit card is fine.

We accept VISA, Master Card, American Express, Discover Venmo and PayPal. Credit/Debit cards must have an EVM chip (no chip, we do not accept the card. PayPal's rules). Due to the drastic increase in credit card processing we will start charging **3% fee** for all purchases using Visa or Master Card & American Express. However, you can still reserve with credit card by phone and there will be no processing fee. This will allow you to lock in your date quickly without the extra charge.

You will receive a \$5 fee if you cancel and we return the deposit to your card (that's what the bank charges me).

Cancellations: I will refund your deposit in full if you give me two (2) full weeks (14 days) notice. Refunds are usually same day but can take up to 7 days.

If you give us less than 14 days' notice your deposit is forfeited, no “if, and, or buts.”

Violent Weather: We do not offer rain dates as it makes it impossible to fit our business platform. However, we will work with the customer to the best of our ability to make your event a success during inclement weather. We can cook rain or shine. Severe rain fall can sometimes slow us down by a few minutes.

Wind is our biggest enemy.
