Your Upcoming Vacation.

Greetings from WorldMark South Shore in South Lake Tahoe, Nevada, where you're never more than a few minutes from the beach – and the mountains! You'll discover something for everyone in this beautiful area – hiking, biking, swimming, boating, skiing, snowboarding or simply relaxing.

WorldMark owns 51 units at this shared resort. Choose from one-, two- and three-bedroom units, all with a fully equipped kitchen, washer and dryer, gas fireplace and a small balcony or deck. Because of the mild weather, the units do not have air conditioning. ResortNet 2, WorldMark's wireless Internet service, is available for a small fee.

Most units at this resort are only accessible by stairs. If you have difficulty navigating stairs, please be sure to request a Special Needs unit with the Vacation Planning Center.

WorldMark South Shore is happy to offer an outdoor pool, outdoor children's pool and two outdoor hot tubs open year round. Parking at the resort is limited and we are unable to accommodate boats, RVs and trailers.

Please note that WorldMark South Shore is located 6,400 feet above sea level, which may require some adjustment for those used to living at lower altitudes. This also means that during the late fall, winter and early spring, Nevada law requires all vehicles carry snow chains.

The staff at WorldMark South Shore looks forward to creating a memorable experience, and you can count on us to be available to assist you with your needs. If you have any questions about the resort, please contact our 24-hour desk at 775-588-2388.

Sincerely,

Your WorldMark South Shore Staff

## On the Way to Lake Tahoe

### From Reno, NV

Drive south on Hwy 50...

In its heyday during the mid-1900s, the discovery of the Comstock Lode dubbed Virginia City "the richest place on earth." Our nation's largest historic landmark, **Virginia City**, retains a distinctly western flavor that will transport you back in time. Visitors can walk along its wooden boardwalks, enjoy shopping for souvenirs, tour mines, museums and restored mansions. **Carson City**, Nevada's state capital, offers guided tours of more than a dozen historic homes. Named for the famous scout, the Kit Carson Trail Walk will allow you to stretch your legs. The Nevada State Museum is also here and is one of the 10 best regional museums in the Western United States.

Head south again on Hwy 50...

Once you've rounded the south end of the lake, you'll spot the glittering playground of Lake Tahoe, with its 24-hour casinos. Montbleu Casino, Harveys, Harrah's, the Lakeside Inn and the Horizon are just some of the hot spots. Top-name entertainers appear in the showrooms and cabarets, while chefs work their magic at the many restaurants. For a fascinating glimpse into Tahoe's history, visit the 74-acre Tallac Historical Site. The Tallac Museum features the 19th-century gaming world of Elias J. "Lucky" Baldwin. The Lake Tahoe Visitors Center is also located here.

### From Sacramento, CA

Drive north on Hwy 50 to Lake Tahoe, then go east, still on Hwy 50...

On your way to Tahoe, take a breather in **Placerville**, once a rip-roaring mining camp known as Hangtown for its frontier-style justice. Today, Placerville has the distinction of being one of the only cities in the world to own a gold mine. The Gold Bug Mine, with a fully-lighted shaft, is open for touring. Lake Tahoe is one of the most photographed lakes in the world and is the largest alpine lake in North America. A scenic 72-mile driving tour around the lake will allow you to discover the best vantage points and popular beaches. Once you hit South Lake Tahoe, you'll find plenty of shopping. Satisfy your urge to browse and take advantage of great deals at numerous boutiques, specialty shops, casino shops and manufacturer outlet stores. If you need money to support your shopping habit, the 24-hour casinos hug the shore, giving you plenty of opportunities to gamble. **Emerald Bay State Park**, on the southwest side of the lake, offers spectacular views of the mountains, the lake, Fannette Island and Vikingsholm Castle. Built by wealthy heiress Lora Knight in 1929, Vikingsholm is a 38-room Scandinavian stone castle, patterned after an 800 A.D. Norse fortress. Another state park on the southwest side of the lake is D.L. Bliss, named for a pioneering lumberman, railroad owner and banker. One of the best places to begin discovering Lake Tahoe is at the U.S. Forest Service Visitor Center on Hwy 89. Here you will find free maps of the area, brochures on local attractions, interpretive programs and trailhead information. To get an aerial view of the lake, take a ride on the Aerial Tram at Heavenly Ski Resort. This two-mile-long journey stops halfway up the mountain and delivers enchanting views of Lake Tahoe and the surrounding area. At the summit, relax over a meal at the Monument Park Restaurant, or walk along scenic hiking trails. The U.S. Forest Service offers free 90-minute guided hikes through the summer and fall.
