Subject:

Mineral Rights for property located at:  
371 Big Branch Rd  
Beattyville KY 41311

When the B.B.W. Coal Company mined the property located at 371 Big Branch Rd, Beattyville, KY, the Minerals Rights to the property were never purchased by the company. The Mineral Rights were only leased by the company rather than purchased. All these leases are now expired.

The B.B.W. Coal Company is no longer operational and has been inactive for several years.

Respectfully,

Troy Brandenburg (Former Director of B.B.W. Coal Incorporated)  
~~54 C Beech Ct., Apt 53~~
