

## I LOST A LOT

By John Lipinski

I lost a lot, when I lost you  
I lost a friend, the best I ever knew  
I lost a lot, when I lost you  
There goes my future, a picture I once drew  
I lost a lot, when I lost you

I lost the one, when I lost you  
Not just a lover, my heart I'd given to  
I lost a lot, when I lost you  
A part of me gone missing, the one I'd held on to  
I lost a lot, when I lost you

I never saw it coming, didn't enter my mind  
You were my one and only for all time  
My life belonged with you, when out of the blue  
Along came someone new and dropped a dime

I lost a lot, when I lost you  
Never dreamed that I would handle this pain I'm going through  
I lost a lot, when I lost you

I can't let it go, all I really want to know  
Was it something I did or did not do  
Guess I didn't pay attention, never heard him mentioned  
Is there anything left to change your point of view

I lost a lot, when I lost you  
I lost the one, when I lost you  
I lost a lot, when I lost you  
I lost a lot, when I lost you
