

2020 REGIONAL SCHEDULE

BASIC RIDERCOURSE (BRC) - WEB ENHANCED | BEGINNING RIDERS | E |

This course is designed for someone who has little or no experience operating a motorcycle, and it focuses on the development of basic riding skills: clutch and throttle coordination, straight-line riding, braking, turning, and shifting. **Training motorcycles are provided.** Privately owned motorcycles are **NOT** permitted. This is a **path-to-Endorsement** course: successful completion allows a student to waive the written knowledge test and riding-skills test at the Secretary of State.

Instruction consists of approximately 18 total hours – 3 hours of online preparation to be completed prior to your class start date, 5 hours of classroom instruction, and 10 hours of hands-on training.

Weekend BRC students need to be available, but not necessarily on-site, for all of Saturday and Sunday. Students are placed into groups during classroom instruction on Friday; those in Group A will ride in the morning (8am-1pm), and those in Group B will ride in the afternoon (1pm-6pm). Please notify the instructor on Friday if you have a preference for either group. While we do our best to accommodate requests, please keep in mind that we cannot make any guarantees.

***Prerequisites**

- Ability to ride a bicycle.
- Must have a valid email address on file with the community college at which you registered. Must complete the online eCourse prior to your class start date and bring the completion certificate to the first class session. The link to the eCourse will be distributed via email at least one week prior to the start date of your class. If you have not received an email by this time, you must contact the community college at which you registered.

BASIC RIDERCOURSE 2 (BRC2) | EXPERIENCED RIDERS | E |

This course is designed mainly for experienced but unendorsed motorcyclists; however, endorsed motorcyclists also use this course to refresh their skills. Topics include: braking, countersteering, turning, speed judgment, and other techniques necessary for the experienced rider to operate a motorcycle skillfully and safely. **Students must provide their own motorcycle.** Mopeds are welcome. Three-wheeled motorcycles are **NOT** permitted. Sharing is **NOT** permitted. The motorcycle must be titled, registered, and insured; and it must display a valid license plate. Students must provide proof of insurance, and the motorcycle must pass a safety inspection. This is a **path-to-Endorsement** course: successful completion allows a student to waive the written knowledge test and riding-skills test at the Secretary of State.

Prerequisites

- Prior motorcycling experience.
- Ownership of a motorcycle that is titled, registered, and insured.

ADVANCED RIDERCOURSE (ARC) | EXPERIENCED, ENDORSED RIDERS |

This course is designed for experienced, endorsed motorcyclists to enhance their basic skills and help with personal risk assessment. Interactive classroom activities to improve perception and hazard awareness are combined with range exercises that enhance both basic skills and crash-avoidance skills. You will also learn how to improve braking and cornering finesse. This is the public version of the Military SportBike RiderCourse. **Students must provide their own motorcycle.** Mopeds are **NOT** permitted. Three-wheeled motorcycles are **NOT** permitted. Sharing is **NOT** permitted. The motorcycle must be titled, registered, and insured; and it must display a valid license plate. Students must provide proof of insurance, and the motorcycle must pass a safety inspection.

Prerequisites

- Motorcycle endorsement.
- Ownership of a motorcycle that is titled, registered, and insured.
- Considerable street-riding miles.
