NOTE FROM THE MAYOR

Spring is just around the corner. We will probably have a couple more storms. Just a reminder to please keep your sidewalks clear, also help your neighbors that are elderly or invalid clean theirs. Huntington City code prohibits the parking of inoperable or unlicensed vehicles on city streets, such vehicles or RV's will be towed. Vehicles also cannot be parked on any city sidewalk; these vehicles will also be towed. With spring coming let's start thinking about cleaning up our yards and properties.

Thank you, Mayor Norton

SNOW! SNOW! SNOW!

We finally got the winter we've all been hoping and praying for! Huntington City would like to thank the whole town for their patience, assistance and cooperation during this year's Snow removal. The City has limited resources in equipment and manpower. Despite this, our employees did an incredible job, working long hours including weekends and holidays. We would also like to shout out a special thank you to all the businesses and residents who made that extra effort, spending their own time and resources, helping remove snow all over town. The City could not Have done it without you. **THANK YOU!**

REMINDER!

“WINTER DRIVING CONDITIONS CREATE EXTRA HAZARDS”

“CUT YOUR SPEED IN HALF AND DOUBLE YOUR AWARENESS”
