**CELEBRATING 27 YEARS IN 2020**

## **2020 Healthlist**

**MUST BE COMPLETED BY YOUR VETERINARIAN**

Please have your Veterinarian fill out your Pet's current health information, with dates vaccinations given and return to National Headquarters at the address listed above. This form is **NECESSARY** for your Membership. IF your Pet is **NOT** a cat or dog have your Veterinarian send all current health information concerning your pet on a separate form and **attach** to this one. **NOT all vaccinations will apply; each animal is different and requires individual health requirements. We DO allow Tittering. Your Veterinarian will be advising you as to what your pet needs. They know your Pet. IF your Pet, (Dog) has not completed a formal Obedience Class have your Veterinarian write a 'Disposition Statement' regarding your Pet and include that with your Membership Application information. This is a requirement.**
