**15<sup>th</sup> Annual Santa Monica 4<sup>th</sup> of July Parade: 2022 Guidelines for Participants**

Please read the **NEW parade guidelines with NEW route direction** and indicate your group will abide by the parade guidelines by signing below. Participation is dependent on the signature and return of these guidelines.

- 1. Pre-registration is required for participation in the parade.** Parade Participant Applications for groups, floats, vehicles and individuals will be considered if submitted by **Monday, June 20, 2022**. Only complete applications with signed guidelines will be considered. You will be notified by email if your entry has been approved. Save the date: group lead meet on Tuesday, June 25.
- The parade will start promptly at 9:30AM at the **NEW location of Santa Monica Beach Parking Lot 5 South** - off Barnard Way, South of Ocean Park Blvd. **Parade check-in at the Beach Lot 5 South begins at 7:00AM and ends promptly at 9:00AM and is mandatory for all participants.** You will receive a check-in time when the application process has been closed. Official wristbands will be provided to approved applicants at check-in upon return of a signed consent form. ONLY participants with official wristbands will be allowed to participate in the parade.
- All vehicles will be subject to safety inspections by SMPD starting at 6:30AM** personnel prior to the event and require approval for participation. All vehicles must be able to maintain a very slow rate of speed without stalling, and truck rails/barriers must be in place to a waist-high level to carry people in the back. Once your application is approved, applicants are responsible for ensuring that **all drivers will have a valid driver's license and proof of insurance at event vehicle inspection. Any motor vehicles who do pass inspection per this guideline or arrive late will NOT be allowed to participate.**
- It is OPA's desire to keep the parade as greenhouse emission free as possible.** Fossil fuel engines are permitted if the vehicle is a "classic" car, to pull a float, or to be used to transport people with physical impairments that prohibit them walking. Vehicles that are not pulling or being used as floats must be open air or convertible. Please take note your vehicle must pass inspection by SMPD to not overheat when going 2-5 MPH. Participants shall stay in the center of the roadway.
- Parade route begins at the **NEW location of Santa Monica Beach Parking Lot 5 South on Barnard Way, turning from Marine left onto Main Street headed this year, for the first time, North**, ending in front of the Civic Center, past Pico Blvd. where participants may disperse or return to the Beach Lot. People of all ages walk the 1.3 mile route with no difficulty. Please make certain you are physically capable of walking the entire route. For public safety, **there is no joining the parade on the route under any circumstances, or exiting the parade once it begins unless there is an emergency.** Participants must keep pace with those in front of them. No stopping unless traffic dictates.
- Loading and unloading of vehicles of equipment or people may **only** take place at the beginning or end of the parade route.
- This is a community event for all ages. Costumes, decorations and other participation in the parade must incorporate red, white and blue, be appropriate for all ages, **and non-political**. Any type of advertisement, handout or messaging **MUST** be approved in advance by the parade organizers.
- Written words, pictures and/or logos used by participants in **any** type of display (including clothing) or handouts **must be submitted for approval** in the Parade Participation Application and received by the application deadline: 6/20/22.
- Participation in the parade is at the sole discretion of the parade organizers and Santa Monica Police Department. Participation is **subject to termination** if these Guidelines are not followed.
- Parade participants must obey the instructions of parade organizers, employees of the City of Santa Monica, and ALL laws at ALL times or participation will be revoked.**
- No pets or animals allowed except by approved Participant Application submitted by the deadline 6/20/22. Pets must be on fixed length leashes of no more than 6 feet or ridden with a saddle/on a lead line of no more than 6 feet, be well behaved, regardless of the presence of other animals, crowds and loud noises. All horses will be in a separate staging area for safety.
- All props must be safe, and not pose a risk to our participants or the parade spectators. No weapons or mock-weapons. All props must be inspected and approved by the Parade Organizers at check-in or they will not be allowed.
- Nothing may be thrown, squirted, or distributed by parade participants without approval by the Parade Organizers in the form of an approved application. **Items may not be thrown – especially from moving vehicles.** Participants may walk near the sidewalks/spectators and hand items out.
- For everyone's safety: **no** fireworks, explosives or other pyrotechnics. Alcohol beverages or alcohol-impaired drivers will not be permitted within the parade area – check-in, staging or route – and violators will be reported to Santa Monica Police.
- We encourage the use of recyclable products and materials whenever possible. **Please follow all city laws**, including the ban of Styrofoam and single-use plastic bags. We are a litter-free event. Please help by picking up after your group!
- All participants under 18 years of age must have a parade waiver signed by a legal guardian. All children under 16 years of age and under must have adult supervision at all times by their parent or guardian. We expect supervising adults to be festive too!
- Music is encouraged! Amplified sound may begin **after 8am** per the City's noise ordinance. Amplifiers may be used to project music **ONLY**; official announcements are made from the grandstand at Ocean Park Blvd. and Main Street. If a Parade Organizer or SMPD asks you to lower the volume of the music, you must comply.
