

CHATUGE WOODS CAMPING RULES

1. Refrain from loud noises and outside activities during the "quiet time" hours of 10 PM to 6 AM. At NO time should outdoor music or TV be at a level that can be heard at other campsites.
2. No disruptive noise or behavior is allowed.
3. The use of fireworks (including firecrackers and sparklers), firearms and other potentially lethal devices is prohibited in the campground and at the boat ramp.
4. Alcohol is permitted only at campsites. Refrain from drunkenness and intoxication while camping.
5. Motorized and electric(battery) cart and bicycles, ATV's, etc. are not permitted. See campground manager for medical cart exemption. Small child battery toys may be ridden if accompanied by an adult.
6. A 20 MPH speed limit must be observed at all times. No "cruising around" inside the campground.
7. Children 12 and under must be accompanied by an adult. Children over 12 must be under adult supervision.
8. Bicycle, skateboard, or scooter riding is prohibited from dusk to dawn.
9. The registered camper is responsible for the conduct of his/her visitors.
10. A maximum of three vehicles may park at each campsite.
11. Only the camping unit registered may be placed at the campsite. "Leasing out" a campsite or camping unit is prohibited.
12. Refrigerators and freezers must be kept inside the camping unit.
13. Dumping of waste or "gray" water on the ground is not allowed.
14. Trash must be bagged and disposed of inside the dumpsters. DO NOT place trash in front of or beside the dumpsters. If the dumpsters are full, place bagged trash by the trees away from dumpsters so that the truck can empty the dumpsters without breaking the bags.
15. Do not place Nails or Screws in the trees OR CAMPFIRE rings/pits! Do not place aluminum cans or glass bottles in campfire rings/pits.
16. No swings are allowed to be hung from the trees.
17. The shoreline is open equally to all campers for water activities, anchoring, etc.
18. Do not remove picnic tables from campsites or alter/improve campsites.
19. Turn outside faucet off before leaving the campground. Should a camping unit or hose leak water, there may be a charge to the registered camper for the wasted water.
20. Under no circumstances shall pets be left unattended anywhere in the campground. Pets that bark in a manner that disrupts the camping enjoyment of others shall not be allowed in the campground.
21. Pets are prohibited in the bathhouses.
22. No more than 2 pets are to be kept per occupied campsite.
23. Persons bringing pets are responsible for removing and disposing of any waste produced by the pet in a timely manner.
24. Pets must be kept on a leash (short leash in common areas) or portable fenced area around the camping unit.
25. Pets that are aggressive toward people or other pets are not allowed in the campground.
26. Camping is at your own risk. Chatuge Woods Campground is not responsible for illness, injury or property damage.
27. Chatuge Woods Campground reserves the right to change or add to any rule without notice.
28. We ask that when your camping unit is not in use that you turn the a/c unit to off or to a warmer setting.
29. Campground management reserves the right to revoke camping privileges should management determine it to be necessary. You may be asked to leave the campground and be given a date and time to remove the camping unit, camping equipment, personal property, etc. Failure to comply may result in the camping unit and all other items being removed at the owner's expense. A refund will not be given if camping privileges are revoked.
30. Refunds require a 30 day notice.

31. Do not plant gardens.
32. Do not tape, staple, nail or tack anything to picnic tables that is not easily removable.
33. Do not place docks or decks in the water. Remove any items you placed in the lake at the end of each camping season.
34. Roofs shall not be constructed over camping units.
35. Camping units will remain truly mobile without any permanent connections, foundations, porches or similar type structures.
36. Satellite dishes must be portable and removed at the end of each season unless affixed to the camping unit in a manner that is ready for road travel.
37. Clear all items from campsites at the end of each season. The only items to be left are those belonging to the campground. ONLY picnic tables that belong to the campground, fire rings that belong to the campground (all personal fire rings are to be removed), and firewood that belongs to the campground (all personal firewood must be removed.) Do not cover these items with a personal tarp or plastic as those items will be disposed of.
38. Items left at the campsite after November 1 will be considered abandoned and disposed of at the expense of the registered camper. This includes items left on the shoreline and lake bed. For example... wet, muddy carpet that requires the use of heavy equipment and a dump truck to be removed. There will be costs charged to the registered camper for this campground expense. Failure to clear sites may result in a CANCELLATION OF RESERVATIONS FOR CAMPING IN THE FUTURE.
39. Do not advertise or insinuate that a campsite is included with the sale of a camping unit. If the registered camper no longer wishes to use the campsite, a refund may be requested and the next person on our waiting list will be given opportunity to obtain camping privileges.
40. Campsites must be vacated and cleared by 11AM on November 1.

FEES

A 3 month deposit is required by October 1. The remaining 4 months balance will be due prior to April 1 (opening day.) The fees may be mailed to Chatuge Woods Campground P.O. Box 1044 Hiawassee, GA 30546. Make check or money order payable to Towns County. To pay by credit card call 706-994-1533.

Open season is April-October. The gate will not be opened for early admittance regardless of what day of the week April 1 is on. The gate opens at 9 AM on April 1.

CWC is for recreational purposes only. A campsite may not be used as a primary residence. All persons camping must have a permanent address elsewhere.

Water levels drop periodically after July 4th. It is recommended you check your boat often to ensure that it doesn't dry dock. After Labor Day, the lake water level drops drastically. It is recommended that you monitor your boat daily to ensure it doesn't become "beached" for the winter.
