

VA & R

September 2023

I hope this finds everyone well and healthy. For those who attended the National Convention in Charlotte, NC it was a long week and I hope you all had a wonderful time. Now it's time to start sledding to our goals for President Rose for the coming year while educating our long-time members as well as our newly joined members.

REMINDER

Please don't forget to order and pay for your unit poppies, for a minimum of 100 poppies its \$12.00, the form is on www.aladeptaz.org website. Last chance to get your order in before September 30th, the price will go up to \$15.00 next year.

Remember to turn in your 10% net income from poppies to the Department 30 days before convention in June 2024.

There are different programs that fall under the VA&R, and there is a chairperson assigned to each program, they will be putting information in the monthly bulletins for your units. If you have any questions about the activities your unit should report, please feel free to reach out to me or the chairperson of that program. Don't forget monthly bulletins and other ALA information is on our website for those who have access to computers, also share information with members that don't have access to a computer.

For Service, not Self

Dolores Chavez
