Holding  
the 3/4  
ton down  
so it  
wouldn't  
get away

With one of the Det's jeeps

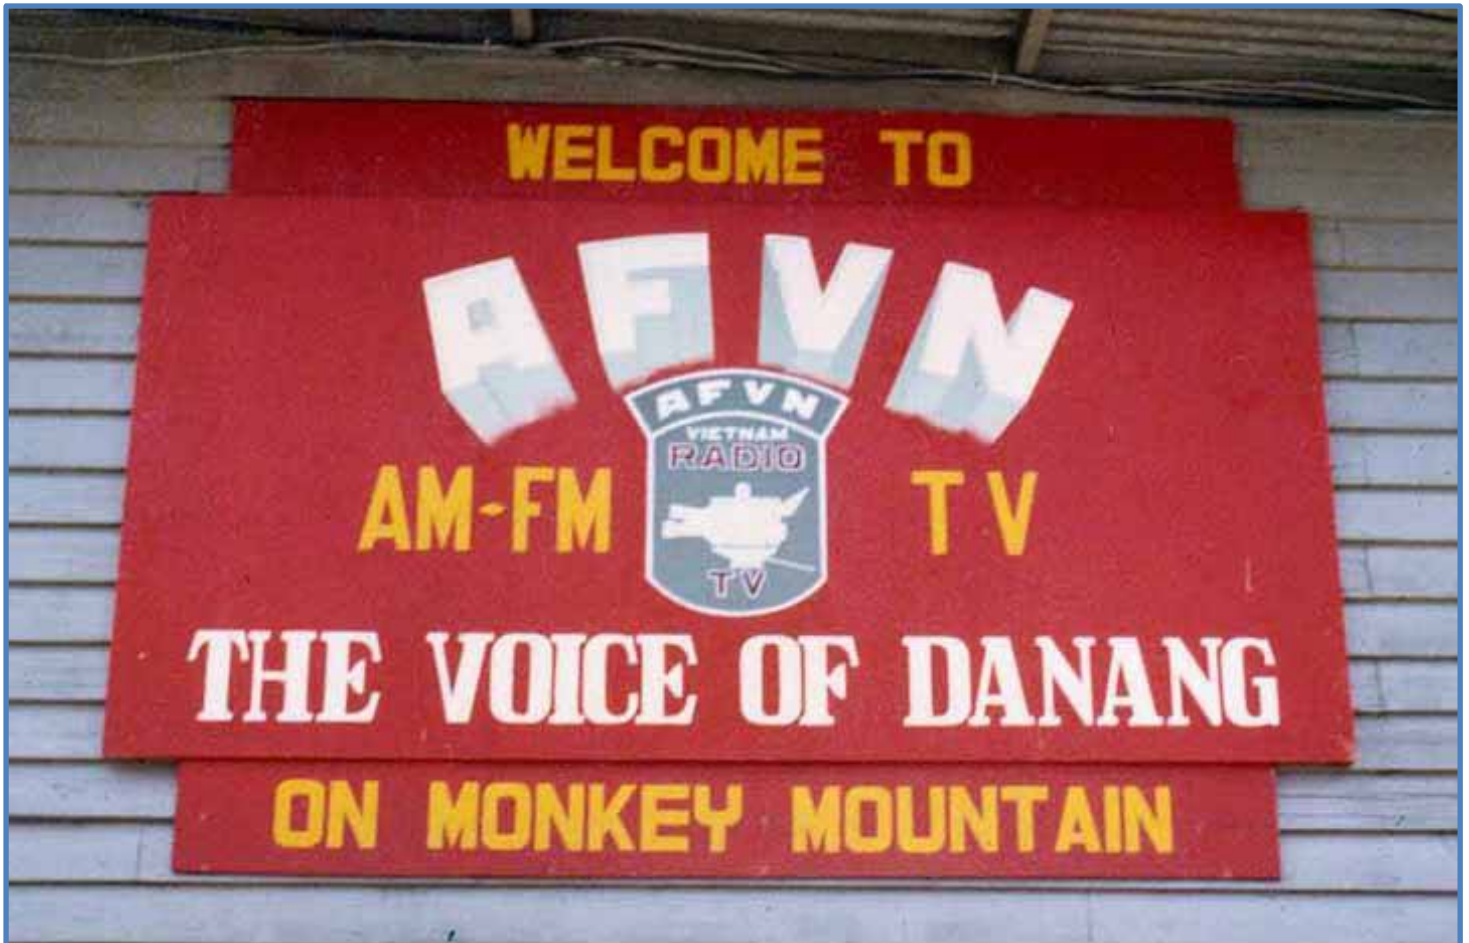

Relaxing in what looks like a homemade “easy chair.”

You have to admit that AFVN had some expensive equipment, even at the detachments.

Det 4's sign

Hopefully, none of the "powers that be" saw this new, revised, MACV sign.

With some of the AFVN  
"local hire" tower crew  
taking down the Chu Lai tower.
