1) SO, WHAT'S THIS WORKSHOP ALL ABOUT? How does it work and what does it offer?

On the first day the kids will be asked to sing a one minute song for the auditions. We then take them through some acting exercises where they get to perform commercials with their fellow cast members. We then cast the show; pass out their scripts and music. The second day of class we start putting their show together! All of our weeknight performance workshops will be limited to 30 kids and everyone who signs up will get a speaking role - or two in the show!
