

Yale Terrace Brewery Dart League
Rules & Regulations December
2020

All dart events played under the supervision of the Yale Terrace Brewery Dart League (YTBDL) will be played in accordance with the American Dart Organization (ADO) rules (enclosed) - even though the YTBDL is longer directly associated with the ADO. As stated in Section 1 of the ADO rules, "any supplemental rules stipulated by local Tournament Organizers" will govern.

In any differences between the following YTBDL rules and the ADO rules, the YTBDL rules shall take precedence.

Good Sportsmanship is the required attitude before, after and during events.
All such incidents will be taken

If a dispute in the interpretation of the YTBDL rules occurs during an event, there are two options:

1. Contact the League Management by phone if we are not present at the event.
2. If you are unable to contact us by phone, the event should be continued, *but* the fact that it is being played under protest must be recorded on the score sheet. A brief description of the dispute must be written on the back of the copy and sent to the league by email or text. The league will contact both captains and after discussion, make a ruling.

The Yale Terrace Brewery Dart League assumes no responsibility for accident or injury during events.

The YTBDL reserves the right to amend or add to these rules for any purpose deemed necessary at any time.

1. The dart board shall be a standard 18" bristle board with the standard I - 20 clock pattern. (See ADO rule for specifics if needed.)
2. The scoring wedge for 20 shall be at the top (12:00) position and shall be the darker of the two wedge colors.
3. A good quality board for league play. It is suggested that the board is used for league play and then switch to ensure quality boards throughout the season. If there is more than one board in the establishment, it is the home team's right to choose the board to be used.
