'That is what is meant by this Prophecy, put in the Mouth of Christ: You do not want Sacrifices and Offerings Year after Year; you have prepared a BODY for Me for a Sacrifice. It is not Fragrance and Smoke from the Altar that whet your Appetite. So I said, I AM here to do it Your Way, O GOD, the way it is described in your Book.' – Hebrews 10

The purpose of this study, with chart illustrations is to present several points of interest that gives credence to the purported Lifespan of Jesus Christ from Birth to Death in Cosmological Terms. This study presents a possible Date Association solely based on Astronomical Patterns taken from the Lunar and Solar Cycles since September 11, -3 BC. The 2nd Pattern will be taken from and Mazzaroth Pattern of the cycles of the Precession of the Equinox. The 3rd Pattern will be from the Anthropomorphic 'Celestial Body of Christ' Pattern that this study suggests appears to match the precise Lifespan of Jesus' Earthly Time on Earth.

There is also a striking association related to the 'Circle of Time' of the Mazzaroth or Zodiac. Based on pure Circular Patterns of Time, it is possible to show Astronomically that Jesus' Birth and Death coincided with Astronomical Alignments precisely aligned to the Moedims or YHVH's 'Appointed Times' that corresponds to Rosh HaShanah and Passover. These 2 Feasts of YHVH are directly associated with the Number 33 as in the Angle of the Circle of Time or in direct association.

This study suggests that based on the Precession of the Equinox phenomenon found in the Mazzaroth or Zodiac, the Birth and Death of the Messiah were pegged to a 33° Angle taken from the Cardinal Points of the Zodiac Circle of Time. Christ's Birth could confirm a Fall Birth in Leo of the Lion-King that usually occurs in Rosh HaShanah. This 33 Degree Angle mirrors His time of Death in Capricorn, that of the Death of the dual natured GOD-Man in Spring during Passover.

This Pattern would coincide with the Astronomical Cycles of 'Life and Death' but in Reverse Order as the Fall signifies the Descent of Life into the Dead of Winter but that is the time Messiah was born. Likewise, the Spring is the Station of the 'Beginning of Life' to that goes into the Summer, but it was the time that Christ Died. The following is a rather simplistic breakdown of this 'Sacred Demarcation' of Time and Space, pertinent to Jesus' Lifespan. The intent of this study is to present Evidence to suggest that the Measure of all things created is indeed Christ Jesus as the Bible proclaims and that it has a 'Form'. This assertion comes from Genesis, in how Elohim states that 'They' were to create Mankind, both Male and Female in YHVH's 'Form' and 'Likeness'.

Anthropomorphic Lifespan of Christ

Thus, Jesus Christ is the 'Measure' of Man, the Earth, the Solar System, the Galaxy, and the Universe; all that is Seen and Unseen. The Bible states that He, Jesus Christ is the Creator, GOD the Son who made All Things by Him and for Him, Invisible and Visible. This illustration suggests that even Christ's Lifespan was proportioned to that of the Divine Man or the Corporal Form. Moreover, this Anthropomorphic Form that is set against the timeline of Jesus' speculated Earthly Lifespan is in phi ratio relationship to Key Events during Jesus' Lifespan on Earth, i.e., from purported Date of Birth, Bar Mitzvah, Baptism and Burial.

Beginning of the Death Cycle:

September 11, -3 AD @ 33° BIRTH

Beginning of Life Cycle:

April 14, 32 AD @ 33° DEATH

'Now I rejoice in what I am suffering for you, and I fill up in my Flesh what is still lacking in regard to Christ's Afflictions, for the sake of His Body, which is the Church'. -Colossians 1:24

As it pertains to Jesus' Lifespan, it is not just some Random Time lived out to an arbitrary Age or Martyrdom. It appears that Jesus' Lifespan was pegged to Celestial Cycles of Planetary Alignments. One such phenomena are the 'Bookend' Stars of Jacob as discovered by John Webb. They occurred just before and after Jesus' Life. Such an Anthropomorphic Form in-between such Celestial Bookmarks could suggest that a Divine Pattern, as in a Facsimile was a 'Copy' of the Divine Blueprint of YHVH's 'Form' in Heaven that is proportioned to the Human Form.

This suggests that a Body is perhaps fashioned or incorporated into All Things and in phi ratio measurements found in All Things. This study also suggests that such Celestial Anthropomorphic Proportions are a reflection of YHVH's Glory or 'Being' that is also seen of Earth. This Divine Pattern would include the Human Body itself, the layout of Jerusalem with the Pattern to its Gates, the Tabernacle, the Temple Mount, the Temple, and His Bride. This phi ratio is seen incorporated in Nature and even in Human Architectural Layouts, etc.

Thus, based on these amazing Mathematical Correspondences, Measurements and Proportions, it appears that such Models presented in this study are but a true Reflection of the Divine Form found in Jesus. And that Christ's Lifespan thus, also appears to approximate the Proportion of the Anthropomorphic Relationships. To reiterate, this study suggests then that the Cosmic Body proportion directly related to Jesus' major events of His life on Earth; His Birth, Bar Mitzvah, Baptism and Burial. The Anthropomorphic Man Pattern was even incorporated onto Solomon's Temple as a Model of a Man's Body has the ϕ phi or the Golden Ratio Proportions.

- 1) *Holy of Holies* = *Head*
- 2) *Holies* = *Mid-Frame*
- 3) *Inner Court* = *Legs*

Anthropomorphic Lifespan of Christ's Body Pattern

Moreover, there exists an Accompanying Mystery that is related to His Church that is also being built as Eve was to Adam to compliment this Body. It is a Mystery as is His Hypostatic Union that combines the true essence of YHWH and Man in one Body. The Bible refers to His Bride that He is currently nearing completion. It is Jesus' 'Body' composed of individual 'Living Stones', which are fellow Believers in Jesus. This Model of the Divine Proportions of Christ's Body can also thus be correlated to the History and Stages of the Church Age, for example as it is for the Temple of Solomon.

For example, the 1st Church of the 7 in the Book of Revelation would correspond to the Head. Laodicea would be the Terminal End-Points of the Feet. The Bible states that the Church is Christ's 'Body' in that all the true Followers of Christ Jesus collectively throughout the Church Age have been specifically privileged to be part of this Mysterious 'Body' of Christ that is about to be Resurrected and Raptured to meet the Groom in the Air. At that point, the individual Physical Bodies of Believers are to be Metamorphosized into Eternal Bodies.

-As Living Stones His Body

The new Resurrected Physical Body's of Believers will be of Light, pure Indestructible Energy that are able to inhabit Eternity and enter the Portals of Glory where Jesus has summonsed the Bride from. Jesus will meet His Bride halfway to usher her back into the Father's House until the 'Indignation' and Wrath passes on the Earth thereafter. This study recognizes that within Christianity, there exists a discrepancy about what actually constitutes the Bride of Christ vs. the Church. Some adamantly believe that the Bride of Christ is not the Church, all encompassing. Others assert that it is a sort of Subset with the Church and based on maintaining Faithfulness, to qualify for the Rapture as a Reward, etc.

Body Which is His Church

Then there are those that speculate that they are one in the same but are referred to by distinct Labels or Categories. One fact is without dispute, the Bible is clear that the Body of Christ is the Church per Colossians 1:24. Although the label, 'Bride of Christ' is not directly mentioned in the Bible like the Trinity, John in Revelator specifically alludes to the New Jerusalem as a type of the Bride of the Lamb. Of that City, John described it as 'A Bride adorned for her Husband'. Paul does however allude to a Bride that is to be Presented and Finished at the End of her Royal Commission. The Lamb is Christ as identified by John in the Allegories to include the Conquering Lion as well, as the Lamb that characterized and will, Christ's 2 Dispositions, Missions and Advents.

The Bible asserts that the City or 'Bride' is being built from the ground up, upon the Foundation of Christ, the Apostle, etc. It constitutes those Living Stones within the framework of the Church since Pentecost of the 1st Century. This 'Cosmic City' or 'Bride' that it to come out of Heaven at the End of the Millennial Kingdom is encompassed with the very Throne of YHVH. This City, as a Bride 'Coming down from Heaven' is eclipsed by the Throne of the Lamb that will be situated in the Midst of the City. It will be a Restored Eden and as it was with the Ark of the Covenant within the Tabernacle of Moses and Temple of Solomon, but without a Veil of Separation.

The word 'Church' is thus, on one level a Euphemism of the collective 'Body' of Believers that constitutes an Assembly of People since Pentecost. People are presently being called-out to be separated or 'Holy' from the World. It is a special constitution of those Disciples since Pentecost that have lived until the Rapture of the Bride. The Bride is the mystery. This is as good as an Explanation as it gets until Glory and perhaps all will be comprehensible and/or understood. The Apostle Paul rightly attempted to disclose this Mystery of the Bride of Christ, the Church Age and the Rapture.

He realized that literally, it will be at the 2nd coming of Christ when Jesus is coming back with His Bride to set-up the Millennial Kingdom on Earth. Yet both will be 'coming down' from Heaven as 'One' by way of the New Jerusalem to complement the New Earth and New Heaven at the end of the Millennial Kingdom. As the 'Body' of Christ on a Cosmic Scale is a Mystery to explain. It is though, based on the Divine Metaphor of Christ's literal Glorified Body of Flesh. So too is the 'Church' then depicted by John as a City. Part of the confusion is that the term 'Church' has to be understood in its contextual frame of reference. Church just means a 'Called-Out' Assembly of People.

Thus, this is why the Epistles call the Throng of Multitudes that came out of Egypt during the Exodus, as the 'Church in the Wilderness' or an 'Army' as YHVH called and saw the Israelites as. It was a foreshadowing of the New Testament Church, a direct parallel and mirror of what constituted the Body of Christ during the present Church Age Time. As it is today, during this Special Dispensation, the Church Age is in-between Daniel's 69th and 70th Prophetic Week of Years. The present Church Body of Christ is not a Building, but of the Saints who gather together. Such a Gathering of Saints could be in a Physical Building or a Home. This was the Pattern after the resurrection of Christ, who rose in bodily form, not spiritually as False Doctrines and Religions teach.

Bride to Compliment Christ's Body

The delineation of what is the Bride is answered as to when the Bride is constituted. To help with this differentiation, Jesus stated that 'The Law and Prophets were until John, the Baptist'. This statement is referencing that Jesus is the consummation of the Law and the Prophets come in the Flesh to fulfill the Law's Requirement, and the Prophecies of the Prophets. Jesus alluded that John was the Best Man along with the invited guests to witness the Bride be given to the Groom.

Thus, not only were these 2 conditions met in Christ and still to be at His 2nd Coming but a Mystery is also revealed, thanks to the Apostle Paul. Paul asserts that to him was given the Mystery of the Church and the calling from it of the Bride that was to be revealed in the Last Days. Of this Mystery Age, it is said that the Angels and Prophets of Old only had a glimmer of scope and perspective about it. This is what also has Israel taken aback in that for them, they cannot reconcile 'their' Messiah 'Marrying' a Gentile Bride. However, this is part of the Plan of YHVH to provoke them to Jealously. The Jews should understand that they themselves came from Gentiles, Abraham and that the Bloodline of the Messiah also has prominent Gentiles like Ruth and Rahab.

Currently, the Jews refuse such a notion despite numerous Old Testament accounts of how Personages like Joseph, the 2 Spies and Boaz took Gentile Wives and are in the very Blood Lineage of Messiah that came and is to come. Paul wrote in the Epistles that the Groom came looking for His Bride. The Marital Contract was 'Sealed' at the Last Supper. However, since the Jews, as a Nation rejected Jesus as the Groom, Jesus bestowed His Marriage Covenant to the Gentiles instead. Sadly Israel today still is longing for the Groom, but is going to 'Marry Another', not YHVH but the AntiChrist whom they will be accepted as the long awaited 'Groom' and in his Own Name.

Paul was given the Mystery of the Body of Christ, to reveal that the Father was to prepare a People, a 'Called-Out' Assembly that would constitute the Bride for His Son. This Dispensation of the Bride was then to be completed at the point of the Resurrection and Rapture of the Bride as a 'Body', a Temple completed. And that it complemented the Divine Form of Christ. She too, in some Spiritual Constitution. But for this to occur, Jesus had to pay for her Redemption with His own Blood. Jesus's Lifespan would lead to this End at Calvary. The Lifespan of Jesus was also patterned after the Statue that is associated with the Judgment that correlates to the end of the Jesus' Lifespan, an Altar. This was the pattern given to Nebuchadnezzar.

The Statue was about 4 World Luciferian Empires that would culminate with their destruction. It was caused by a 'Stone' coming from Heaven to Judge. Who? The AntiChrist 'Image of the Beast'; Political, Religious and the Economic systems. In similar fashion, at the End of Jesus Christ's Lifespan, as a Metaphor, the Judgment of YHVH fell upon Christ at the Cross of Calvary, which is fashioned like a Skull of Stone. The Divine Pattern of the Anthropomorphic Dimensions of Jesus' Lifespan are reminiscent of how Jacob rested his Head on a Stone. It was at that place that Jacob received Revelation. It is only at the Gate of Heaven, the House of YHVH that one is able to be Transformed from a Sinful 'Jacob' to a Prince of the LORD, Israel.

Stone of Judgment

Then there are the other 'Stones of Judgement, the Tables of Moses or of YHVH that were boxed in the Ark of the Covenant within the Holy of Holies. This was in the House of YHVH where He met with His Covenant People. It is as if the LORD Himself the Prince of Israel, of Peace, i.e., 'Salem' was resting His Head on the Stone Tablets, if one anthropomorphizes the Temple of YHVH. The Base at the Feet corresponded to the Stone Altar that like the Statue of Nebuchadnezzar, it speaks of the place of Judgment and Sacrifice; 'Feet to the Fire'. But to contrast, the Bible is clear that the Church or the Body of Christ is being constructed as a Spiritual House made up of individual Members, Living Stones as it were that one day will be completed.

One of the precepts of the Book of Revelation is to have Christ the Groom evaluate His Bride to be, which is the 7-Fold Analysis of the 7 Churches of Asia that typify the Church as a whole, the Bride that is to be Presented. Nonetheless, Christ warns of certain Moral Deficiencies that if left unchecked, will result in a removal of such a Portion or Reward that would have been allotted at the Bema Seat of Christ. The context is not referring to a Loss of one's Salvation in Jesus or of the Soul to suffer Eternal Damnation. As the Book of Romans states, 'The Promises and Call of GOD are irrevocable'. This means that Jesus, upon having His Believers proclaim a Genuine Confession of Faith and Conversion, are Eternally Sealed with the Indwelling of the Holy Spirit. It is a Permanent Condition. Now as to the Rewards, that is a post-Salvation Works prepared in Christ to enter into.

Until the Rapture, Christ admonishes His Church to Repent of Sin that is allowed Individually and Corporately. This is what the whole issue of the Bema Seat of Christ is about once the Bride has been made ready. It is not unto Judgment but Evaluation of the Bride for Rewards. This notion comes from the Roman Conquest of an Empire in that the Spoils of Battle were Paraded before the Caesar in the Roman Forum. It was a Display of what the Legions had accomplished and what Victories were won as they were listed on their Banners in the Processional March before the Emperor. This it will be the same as the 'Saints go Marching In'...Christ will Display the Victories of the Church as each individual Saint and 'Churches' perhaps have their Victories and Spoils listed as they Pass the Review Stand of Christ to be Acknowledge and Inspected.

Thus, the Bema Seat of Christ is about the Saints in Glory and that by Fire that will Test the Works done in Christ's Name and Power, or lack thereof. This is the Wood, Hay vs. the Gold, Silver and Precious Stones of Believer's Works. This Evaluation has to do with the Talents given to Individuals at the Point of Salvation by the Holy Spirit to help contribute and build-up the Church with collectively. This is why at the time of the Rapture, those 'Virgins' not Prepared, not Spotless, not Made Ready will be left behind; perhaps. 'Being Made Ready' is not Works. Now there is a 'Work' that is required for Salvation. The Bible defines it. 'What is the Works that one must do to be Saved? It is to Believe. The Unbelievers will also have an Evaluation. It will be at the other Throne, the White Throne Judgment. Since Sin has already been paid for by Jesus on the Cross; the justification of Humanity will be solely based on one's Works. This is why 'the Books will be opened', and such people will be Judged according to their Works.

The issue in this case is that 'Other Book' that will be measured against their Works will be opened, that of the Book of Life whose standard is Sinless Perfection. And this, obtained by a fellow Human, Jesus. On this Judgment Day, it will not be a Ferocious Judgmental God, but it will be Jesus who is said of Him that being Tempted in all Things Human overcame Temptation. He was Sinless, etc. It will be at that time that sadly all those found to appear at the Great White Judgment Proceedings will fall short of the Righteous Standard, which is Christ Jesus. As a Man, no less overcame Satan, Sin and Death.

There will be no Excuses or Complaints, that a 'Holy God cannot rightly Judge an Unholy Mortals'. As no one will even come close to Jesus' Holiness; the Consequences for such will be a Bill Owed and Due. According to YHVH's Law, the 'Wages of Sin is Death'. Others would argue that if certain portions of the Body are only to be Raptured this would amount to Christ having His Body only partially completed or lacking 'Parts' as it were. For this reason, the Apostle Paul admonishes the Church to put on Christ so as to present her to Christ as a Prepared Bride, a Virgin.

He also used another Simile, that of a Term of Pregnancy, wherein Christ needs to be 'Fully Formed', i.e., the Present Process of Sanctification. Christ Qualified all Believers to be part of the Body of Christ, but those that constitute the Bride of Christ are those that continually choose to set themselves apart from the World. The Church Age is a Parenthetical Time Period that is very special and unique. It was described as a Mystery by Paul but revealed to him to prepare the Church to fulfill her Royal Commission and not be found like the 5 Foolish Virgins that lacked 'Oil' in their Lamps when needed.
