Coming up:

Fundamentals of Woodworking

September 23rd – 27th

Kaleidoscopes for Gifts

November 23rd - 24th

Intersections Wood Gallery and Studio has four facets.

Intersections Gallery has beautiful objects for sale by its skilled and imaginative members.

We offer both **Classes** and **Memberships**, so you can learn about wood working and create your own works. If you need something special, **Commissions** are available. Every effort is made at Intersections to work with regionally grown, sustainably cut trees.
