Green cleaning products and practices support improving the health and safety of children and staff. We provide insight to converting to “Green Products and Green Cleaning Practices”. We will discuss the emerging science that links common childhood illnesses with exposure to traditional chemical product toxins, as well as the health and safety concerns for janitorial workers.

Who should Attend?

Directors, Administrators, Teachers, Nutrition and Custodians staffs and Volunteers.

Session:

Half Day Training at a location of your choice

Investment:

Free quote! We are competitive and discounts are available. Handout materials are separate. Book early, limited dates available. Travel and other out of pocket expenses are borne by the client.

We make sense of the science and human factors affecting your child care facility.
