Now available in the Classroom is an interactive online course option you can take on your own time, at your own pace, and wherever you would like. This four-hour course includes a digital manual, an interactive teaching style, instructional videos and more to help make the learning process easy and convenient for you.

NIAAA Webinar Classes

In an effort to meet the needs of individuals who desire to enhance their knowledge of interscholastic athletic administration and cannot attend the national conference or state conference, the NIAAA seasonally offers selected courses in a webinar format. Our webinars offer the opportunity to take courses from the comforts of the office or home and receive the same quality instruction, interaction, and networking opportunities as is provided in a classroom setting. Each course is taught by trained and experienced faculty. Courses consist of two 120-minute sessions, taught on two consecutive or one four-hour session Monday, Tuesday, Wednesday, or Thursday evenings.
