

**TOWN OF CLIFTON  
FLAP GATE REPLACEMENT PROJECT**

**April 3, 2019**

**Addendum No. 4**

This addendum pertains to the entire set of bid documents and to the entire plan set and shall take precedence over any conflicting information contained therein.

I. Bid Document Shipping

It has come to our attention that certain mail carriers will not guarantee delivery to the Town of Clifton by an exact time, but provide a general timeframe. A portion of the timeframe provided by the mail carrier is past the bid opening time. If a proposed bidder is concerned their bid will not be delivered before the bid opening time, they may, in addition to mailing their bid, email a copy of their bid to Cecilia Jernigan with the Town of Clifton. In the event the potential bidder's bid has not arrived by the bid opening time, the proposed bidder's bid price provided in the scanned and emailed copy will be used. However, once the hard copy is received from the mail carrier the bid prices in the mailed and emailed bid shall match exactly, or the bid will be rejected. The bidder's hard copy, if delivered after the bid opening, shall be received from the mail carrier before the close of business on the day of the bid. This exception shall only apply to bids which are delivered by mail carriers. Bids which are hand delivered by a potential bidder after the bid opening time will not be accepted.
