

## I CAN'T DO THIS ANYMORE

By John Lipinski

I can't do this anymore, I've been through this before  
That won't stop my lovin' you, but, I can't do this anymore

Believe me, I'm sorry, didn't know I'd fall in love  
Was the last thing on my mind, when we became the best of friends  
Sometimes, best friends fall in love, it's a wonder when it's right  
There's a peace that comes with trusting, broken hearts can sometimes mend  
It takes two to tango, Ya gotta listen to the same song  
When you dance and sing, together, relationships can often bind  
But a heart must remain open, when the right one comes along  
I've asked the Lord a hundred times, why it doesn't cross your mind

I can't do this anymore, your mem'ry haunts me to the core  
I played the game, I know the score, I can't do this anymore

If you're not lookin', you won't find, you can simply close your eyes  
Nobody has to be unloved, no one wants to feel the pain  
And if you had misery in your past, you might prefer to be alone  
Quite likely, it could be the reason, you can't fall in love again

I can't do this anymore, you were the one, my heart is yours  
Now I can't stop my loving you, you were the one, I'd been praying for  
It's you that I adore, more than once, I said it before  
I might be closing that door, and I won't do this anymore  
You know, I'd marry you tomorrow, but, I can't do this anymore
