

Texas Agricultural Irrigation Association Scholarship Application

TAIA will award scholarships based on the applicant's qualifications. Scholarships will be available to registered, full-time students either entering college or continuing a college education. Graduate students are also eligible. A recommendation from a TAIA member would be beneficial but is not mandatory. Scholarship funds will be given to the students selected college to use towards enrollment expenses.

Other qualifications:

- An agriculture major
- Attend a Texas university or college
- Full-time student (12+ hours)
- Maintain a minimum 2.5 GPA, reporting GPA at end of each semester
- Maximum 500 word essay with application
- Not required to be a Texas resident
- \$500 per semester / \$4000 total maximum / 4 year maximum
- Funds sent to attending school first semester; from then on GPA and enrollment must be verified by scholarship committee

ARTICLE X – Special Programs & Finances

Section 1.

Scholarships: There shall be a separate bank account designated for scholarships. The board of directors will develop a scholarship policy and application. The board will determine annually the amount of money to transfer from the general fund into the scholarship account. Additional money contributed specifically for scholarships shall be placed in the scholarship account.

The Board of Directors shall appoint a scholarship committee chair at each annual meeting. The committee chair will select a minimum of two additional TAIA members to serve on the scholarship committee. The scholarship committee will determine the recipient of each scholarship awarded based on the scholarship application and policy.
