Dear Parents,

It's hard to believe the end of our school year is only weeks away. We have had an amazing year getting to know your adorable children, seeing their personalities develop, experiencing new things together and falling in love with each one of them. Thank you for your trust and cooperation and helping your children to grow and be more independent. The summer months will fly by and we will see you all in September, even more grown up!

This month we are learning about Springtime, Fairy Tales and learning to do so many things by ourselves. We have some fun and silly stories to read too. We are so excited to be able to play outside on our playground this month. Please send jackets or appropriate clothes for outside.

Have a great summer!

Ms. Barb & Ms. Carri
