

## Ginger Profile

**Name:** Ginger

**Age:** 5 years old

**Gender:** Female

**Spayed/Neutered:** Yes

**Shots:** Current

**Description:** Dachshund Blend

**Personality/Traits:** Ginger enjoys walks, car rides, and loves to snuggle close. She adjusts easily to a new environment and does not mind the kennel. While she gets along with other dogs, she tends to favor certain ones over others in her current foster home. She can be food-aggressive. She is friendly with people and is good with kids as long as there is a slow approach.

**Special notes:** Ideal as an only dog or one pet household. Knows some commands and learns quickly. Chew toys are recommended as she likes to “unstuff” stuffed animals.
