Dear Parents,

March 2020

We have a lot of fun and excitement planned for the month of March. But first before we talk about all the fun we are having, we would like to introduce Ms. Lizzy to our center as a Teacher Assistant in our class. Ms. Lizzy is a college student studying Early childhood at Gateway Community College. She works in our before and after care program and in our classroom during the preschool hours. When you get a chance please help us welcome her to our class. Now, for all the exciting things planned for March. We start off celebrating Dr. Seuss. We will read his books all week long and have a silly good time. We continue to learn our colors, shapes and counting higher and higher. It is wonderful to hear the children using words, growing more confident and getting excited for stories and songs. The second half of the month we will learn some new Nursery Rhymes. I know the children will love learning them. In our class we are seeing more cooperation from the children and they are socializing and interacting with each other more and more. We are always working on manners, sharing, gentle touches and kindness with our friends. Thank you for sharing your sweet children with us. We love each and every one.

Also, please remember that our center will be closing at 4:00pm on March 25th for developmental training.

Remember to sign up for your snack day , two times per month or bring it all the first of the month.
