And Now.....

### THE NEWS

We have had great turnouts at our meetings. Several new members and some coming back after a long hiatus.

Only 6 of our members made the open mic at the Aurora Elks and only 10 Elk members came. A small but lively group on both sides. Your board made 4 of the members plus Lee Taylor and Greg Coffey. The best news is that one of the Elks members is now coming to our club! We are happy to have her.

Our club continues to get one inquiry a month from our web-site on average. I receive the inquiry and try to reply within 48 hours.

I hope to have another open mic In June and one in October. Any thoughts as to where?

Songs for May, the 13th is Mother's Day so bring your wife, daughters and granddaughters and play something for them. The 27th is Memorial Day weekend so how about any Neil Diamond song plus as a group song "Johnny Comes Marching Home." Also on Mother's Day we will have cookies and tea and maybe someone will bring some other goodies. Show up to find out!!

SPAH continues to creep closer so sign up and head to St. Louis in August. I plan to go and jam until my lips swell up again. Ha.

Lynn and I will not make any April meetings so Scott Paulding will be hosting the meetings. See you in May.
