Pasquale (Pat) specializes in preparation and prosecution of patents and trademarks as well as opinions of counsel. He co-heads the firm's electromechanical and mechanical practice with Peter Luccarelli. Pat has over twenty four years of experience as a patent attorney in both law firm and corporate environments including experience as a patent prosecution manager and senior IP counsel. His areas of expertise include IP-related asset identification and protection, IP due diligence, risk management and related opinions, as well as IP counseling for corporate clients. His emphasis is on the electromechanical, mechanical, software and electrical arts, worldwide prosecution of patent applications and risk management opinions.

Education

Seton Hall University School of Law, J.D.

Fairleigh Dickinson University, B.S. in Mechanical Engineering
