Minutes: Margaret Gralewski posted the October 11, 2017 meeting minutes on table for viewing.

Pat Jayne started the meeting with discussion on the index cards suggestions:

It was suggested we have more shows and hanging venues. Help is needed from the members to suggest new places, like offices and churches etc. A volunteer is needed to organize hanging at Ruebens.

A suggestion to move the scholarship awards to April. Since the teachers choose the student at the end of the school year, it must be in May.

Ways to raise cash for the scholarship fund: Refreshments at meetings. Our 50/50. Jewelry sale: items donated by Jane Blatt's husband Galen Guberman, and jewelry the members donated. Small Paintings. A vote was taken on White Elephants- only 3 members voted in favor, so it did not pass.

Kendra Deltano stated that at the last meeting when the Scholarships are handed out it should be a festive occasion. The last meeting in May is also when the new officers will be installed.

President Pat Jayne said we will have a cake, same as last year.

Patty White spoke on communications: she sends out e-mails, meeting reminders, newsletters and any special information from the Board that members need to know. She stated she uses blind copy for PCAA and due to amount of members it gets e-mailed in groups. Also at next meeting, Patty will bring in a binder with all the Newsletters (BRUSH STROKES).
