

# Q-Lon Weatherseal Gasket

There are gaskets. Then there's Q-Lon - it has excellent compression recovery of 99%, giving constant height at corners for improved weathering. Furthermore, it provides low operating forces on gearing which in turn ensures ease of operation for the user.

Weatherseal performance matters in windows, that's why the Diamond Suite is supplied with Q-Lon pre-inserted into all sections.

### Trust The World's Best Weatherseal Gasket

- ◀ Operates perfectly in temperatures ranging from -20°C to 70°C with 99% memory recovery every time
- ◀ Best acoustic and thermal performance across the widest temperature range
- ◀ 99% memory recovery. Retains shape year after year
- ◀ Low operating forces reduce wear and tear and gives ease of operation
- ◀ Leaves no rigid sprue after welding
- ◀ Manufacturer lifetime guarantee.

Window performance using EPDM flipper seal

Window performance using Schlegel Q-LON™
