

## Certified Roofing and Gutters, LLC

### BUSINESS SUMMARY

- Certified Roofing and Gutters, LLC began February 18, 2010. It was founded by Mr. Antonio Johnson, a United States Marine Veteran and Licensed Claim Adjuster. The company has grown over the past few years into more than just a roofing installation management company. The company now manages several different services in the area of construction, repair, and maintenance.
- Certified Roofing and Gutters, LLC's mission is to provide impeccable roofing installations and repairs along with great customer service. We are a roofing replacement, installation, and repair company; providing a variety of services as listed below.
- Certified Roofing and Gutters, LLC is setting the standards in the roofing industry. The company is currently a member of the Better Business Bureau with an "A" rating. We install roofing systems according to state code and manufacturer's specification so that our customer will be able to maintain their manufacture warranty. In addition to the manufacturer's warranty, Certified Roofing and Gutters, LLC will provide all customers with a five year labor warranty.
- Certified Roofing and Gutters, LLC has offices located in Atlanta, GA, Augusta, GA, Macon, GA, Nashville, TN, Chattanooga, TN, and Denver, CO.
- The company has a fleet of 25 trucks and vans available for operational use and also manages 3 independent contractor crews, which are certified by our manufacturer.
