Vet Tech FT, PT, Weekends

Our very busy Veterinary Teaching hospital seeks Vet Techs who are seeking long-term career opportunities. We have Full-time positions within ER and ICU, Anesthesia, Large Animal and Specialty Services. For techs interested in part-time or weekend work, we have openings in large animal and small animal ER/ICU. An excellent opportunity for someone seeking shift differentials, rich benefits, leave, CE budget and specialty supplement.

Completion of Veterinary Technician program with VTNE passed.

Licensure Required
