

# PORTER HIGH SCHOOL PERCUSSION

Greetings Percussion Students and Parents,

For the 2019 - 2020 School Year, we will be processing almost ALL percussion expenses through the newly created Porter High School Percussion Club Account. Having a Percussion Club Account gives us a little more freedom to fundraise for the expansion of our indoor program without taking away any fundraising from the band program, and also allows for all percussion expenses to be paid out of a separate account from the current Band Club Account. Our fees have increased this year so that we are not pulling money from the Band Program to cover Indoor Drumline Expenses.

If you are in a situation where you need to spread fees out over several payments, that works too, but you will need to communicate your plan for payment to the PHS Band Staff.

Please see the below explanation of fees for the 2019-2020 School Year.

## **PHS Percussion - Indoor Drumline Fee - \$250.00**

Includes all uniform expenses and helps to pay for show design and our floor tarp  
Expected costs are \$150 for uniform and \$100 for general fee.

## **Percussion Stick and Mallet Fee - \$65.00**

Includes all sticks and mallets used for both fall and winter marching seasons
