

**BOMB THREATS****POLICY**

In the event of a bomb threat, the staff shall assume that a device does exist and is present. The safety of the students is paramount.

The District shall devise procedures, in cooperation with the police and fire departments, which will protect the students and staff in the event of a threat.

Any person or persons involved in any way with disrupting a school or schools by falsely reporting an explosive device in the school shall be prosecuted to the maximum extent allowed by law.
